

Need help when your teachers are not available? Need some extra help?

Online Tutoring through OSPI’s Digital Learning Department (DLD) may be just what you need!

- **Submit a question** to the tutor and receive written guidance on how to answer the question yourself within 24 hours, Monday-Friday.
- **Instant Tutoring.** Join a live session during the tutor’s scheduled online hours to work directly with the tutor.

All you have to do is...

- Sign in to the OSPI Tutors website using a school login.
- Once there, you will sign in to the tutoring website using your secure, personal login.
- Submit your questions or join a live session.

Let’s get started!

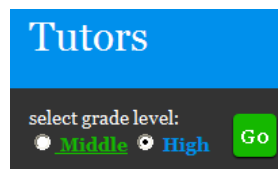

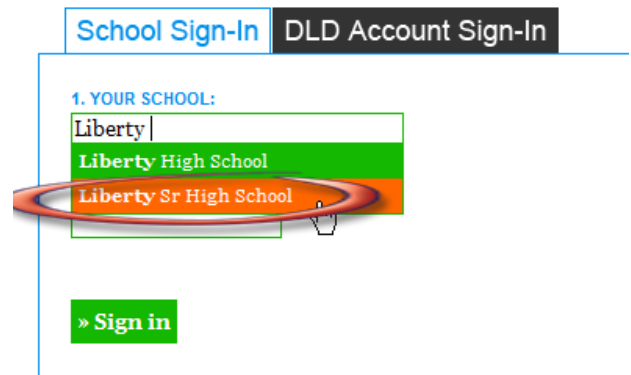

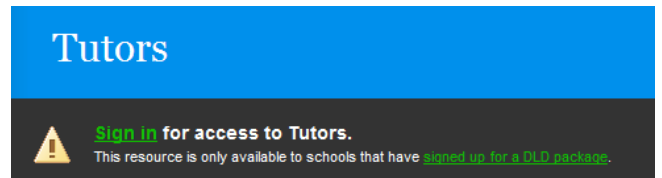

Sign in to the OSPI DLD Tutors website

1. Click on the link <http://digitalllearning.k12.wa.us/support/tutors/>
2. In order to use Online Tutoring, you need to enter your school sign in. Click **Sign in**.
3. Start typing **YOUR SCHOOL:** (Note: The Issaquah School District Liberty High is the one named Liberty Sr High School—the other one is in Spokane! Skyline, Issaquah and Tiger Mountain are fine.)

Enter **SCHOOL MASCOT:**

School	Mascot
Issaquah High School	eagles
Liberty Sr High School	patriots
Skyline High School	spartans
Tiger Mountain Community HS	tigers

4. Select **High** and click **GO**

Sign in to your personal account

5. The first time in, you will need to **Create a Secure Account**. Click on the button. (Otherwise, login using your email address and password that you used to create your account.)

6. To create the account, enter your information and press **Sign in securely**.

First Name:

Last name:

Email:

Password:
Your password must have at least 6 characters.

Confirm password:

Time Zone:

Language:

Terms: I have read and agree to the [Terms and Conditions](#)

7. Be sure to allow Pop-Ups from the site and remember your password.

Ready for tutoring!

8. The online tutoring **Home** page will display, and the courses available for tutoring are listed. You can ask for help in two ways:

- a. **Homework Help - Submit a Question.** The tutors will respond in writing within 24 hours, Monday –Friday. Click on the Submit Question button enter a title, choose a teacher and enter the details of your question. You can also attach a file. You will receive an email when the question is posted.

type: Homework Help

- b. **Instant Tutoring – Get Help.** Join a LIVE help session. The tutor’s scheduled online hours are posted on the page. When the **Online Now!** message is displayed, you will be able to click on **Get Help** to join the LIVE session. The session is recorded so that you can view it again if you need to.

type: Instant Tutoring
