

Levy Development Committee
April 29, 2009
Meeting Mini Summary

Official action: The Committee adopted the springboard proposal for the Critical Repairs portion of the Capital Levy.

Discussion: The Committee asked questions about the Critical Repairs springboard proposal. Individuals offered amendments, which the group discussed and voted on. Ultimately, the springboard proposal was adopted as presented.

Up Next: Committee members will review the Technology portion of the Capital Levy and come ready to discuss, amend, and adopt on May 6.
