Beginning Orchestra!

This is the year that your student has the opportunity to learn a string instrument in the Issaquah School District's 5th grade orchestra class!

Classes will be held from 7:40-8:10 on Tuesdays and Fridays at Pine Lake Middle School* (please note location).

You must provide transportation to PLMS. Transportation will be provided back to your student's school from PLMS. (If your student is at a late start school, they can participate in the before-school care program at no additional charge.)

Students will come directly to the Pine Lake Orchestra classroom (room C-4). They will meet with students from other 5th grade classes at Cascade Ridge, Endeavour, and Challenger. It is an exciting opportunity to meet those students they will be in middle school with next year!

Practicing at home is expected and important for beginners. My goal is to

quickly, yet thoroughly, have students learning their instruments; playing and even performing!

Please be aware that **orchestra is a year-long commitment**, and stress this to your student.

I look forward to working with your student! Please feel free to call or email me if you have any questions.
