

Spring 2012 Issaquah School District Night Academy

Are you looking for a way for your student to retrieve credit on a failed class that is required for graduation? The Issaquah School District offers an opportunity for your student to do just that through the spring 2012 Night Academy.

Here are some FAQs that may help you decide if Night Academy is an option for your student.

1. What is Night Academy?

This is a program that gives students an opportunity to retrieve high school credit for classes they have FAILED during the school year.

2. Who comes to Night Academy?

Any high school student who needs to retrieve credit to ensure timely graduation from high school is encouraged to consider this option.

3. What are the benefits of attending Night Academy?

Night Academy assists students in meeting the Issaquah School District standards. Students are able to retrieve credit lost during the regular school year and therefore, students who pass Night Academy classes put themselves in a better position to graduate with their class.
