

**Consent Agenda**

To expedite business at a school board meeting, the board approves the use of a consent agenda which includes those items considered to be routine in nature. The consent agenda will appear on the regular agenda in the position shown in operating procedure 1420 P.

Any item which appears on the consent agenda may be removed from the consent agenda by a member of the board. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.
