

Issaquah School District #411**High School Credit Request for 7th and 8th Grade Students**

*All 7th and 8th grade students who complete high school credit courses will be eligible to have those grades and 1.0 credit placed on their high school transcript. A request can be made to add the 1.0 credit and grade at any time up to the point of the student's junior year credit review with his/her counselor. Please note that once added to the high school transcript, the grade and 1.0 credit **can not** be removed and will permanently be included in the computation of the student's grade point average.
