

## INTERNATIONAL STUDENT EXCHANGE

International exchange students (J-1) may register to attend school in the district through a recognized international exchange program. Students visiting our state for a short stay (B-2 visa), such as a vacation or visit with friends or family, may not enroll in school in the district.

The superintendent/designee is directed to develop procedures, including but not limited to: number of international exchange students, selection of international exchange organizations, timing of placement process, district expectations of international exchange organizations, school expectations for international exchange students, and school responsibilities.
