

STUDENT FUND RAISING ACTIVITIES

The district acknowledges that the solicitation of funds from students, staff and citizens must be limited since students are a captive audience and since solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose including the collection of money in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization may be permitted by the superintendent providing that the instructional program is not adversely affected.

The superintendent or designee shall establish rules and regulations for the solicitation of funds by approved school organizations and official school-parent groups and by outside organizations. The principal shall distribute these rules and regulations to each organization granted permission to solicit funds.
