

Educational Assistants

Educational assistants may be hired to

- A. provide supporting services to certificated staff of the school and to
- B. provide supervision of students during non-instructional periods in such areas as study hall, playground, lunchroom, school bus and hallway.

However, responsibility and accountability for their program activities rest with the staff member assigned to supervise their work. The principal shall be responsible for providing an orientation program which covers the rules and regulations pertaining to their area.

The employment, assignment, supervision, and evaluation of educational assistants will be accomplished in accordance with procedures established by the superintendent and the bargaining agreement.
