

Assignment and Transfer of Administrative Staff - 6002

Assignment and Transfer of Administrative Staff

The superintendent shall have the authority to assign, reorganize and/or rearrange the specific responsibilities of the administrative and supervisory staff in a manner that will provide for the effective operation of the district. The superintendent shall, in considering any assignment or transfer, base a decision on such factors as the desired performance and/or expectations inherent in the position, the staff member's background and preparation, the staff member's past performance, and the impact on other facets of the district's operations.
