Nutrition and Food Services Operation

In order to support the school's nutrition and food services operation as an essential partner in the educational mission of the district and its role in the district's comprehensive nutrition program, the superintendent is responsible for:

- A. Encouraging all students to participate in the school's child nutrition meal program.
- B. Providing varied and nutritious food choices consistent with the applicable federal government Dietary Guidelines for Americans.
- C. Providing adequate time and space to eat meals in a pleasant and safe environment. Schools shall ensure:
 - 1. Rules for safe behavior are consistently enforced; and
 - 2. Appropriate supervision is provided.
- D. Food that is sold must meet the health department's standards in regard to storage, preparation and serving.
- E. Students and staff will have access to safe, fresh drinking water throughout the school day. Fluoridated or bottled water should be made available for purchase by staff and students.
- F. School staff should encourage non-food alternatives as student rewards.

School Cafeterias

- A. Any student may eat in the school cafeteria or other designated place.
- B. Meal prices will be established by the superintendent/designee.
- C. Healthy option foods should be competitively priced.
- D. Meal prices will be conspicuously posted in each cafeteria or designated meal area.
