

Naming of School Facilities - 6970

When selecting the name for a new school facility, the Issaquah School District shall solicit input from administration, staff, students, and the community.

Names for a new school facility may be derived from the following list:

1. Area names
2. Geographical landmarks
3. Housing developments
4. Names of Historical Significance
5. Directional names
6. Persons who have contributed to education in the district
7. Other names known and significant to the residents of the district

A committee appointed by the superintendent will recommend three names and the rationale for these names to the superintendent. The superintendent will make a recommendation to the board. The board will make the final name selection.
