Once again this summer we will be offering a two week Video Editing Class for all current fourth and fifth graders. This course will teach the fundamentals of video production and editing. Students will learn how to use still pictures as well as video to make a movie. They will learn the use of a camera, how to film correctly, and how to transfer video into the computer. Their final project will be to produce a DVD.

Location: CLARK ELEMENTARY

Time: 9:30-11:30

Days: MONDAY—FRIDAY

Date: JULY 11—JULY 22

Cost: \$225

For More Information Contact:
