

The Issaquah School Board held a community linkage meeting at Maywood Middle School on Tuesday, January 19, 2010. The meeting was called to order at 7 p.m. by Board President Suzanne Weaver; with directors Brian Deagle, Chad Magendanz, Marnie Maraldo, Jan Woldseth Colbrese and Superintendent Steve Rasmussen in attendance.

The basic intent of the community linkage meetings is to provide an opportunity for community members to meet with the board on a less formal basis than regular business meetings; to discuss topics of community interest, the function of the board, explain what the board does and how the board and superintendent work together, talk about various procedures and respond to questions from the community.

The next community linkage meeting will be held at Clark Elementary on Wednesday, March 17, 2010.

The meeting adjourned at 9:00 p.m.
