WELCOME!
On behalf of the Pacific Cascade Middle School staff, we would like to welcome you to the new school year! Our staff is guided by six philosophical “H.E.R.O.E.S.” goals in order to help students reach their potential socially, personally, and academically:

H Health: we will attend to the physical, social, and emotional health of our students.
E Excellence: students will demonstrate excellence in citizenship, scholarship, and sportsmanship.
R Relationships: students will be connected with staff, each other and our school.
O Opportunities: students will have opportunities to seek new experiences, try on leadership roles and take informed risks.
E Equality: students will find equality in our classes, on our campus, and within our community.
S Safety: students will feel safe, be safe, and behave in safe ways.

These six H.E.R.O.E.S. goals guide our philosophy and our approach to educating young people. We truly believe and hope you will experience these things while a student at Pacific Cascade.

This planner serves as our PCMS Student Handbook, including our policies, procedures and important information. Please refer to it when questions arise. If we can be of assistance to you, feel free to call on one of our staff. We are here to serve you!

- Students at PCMS have homework in all core classes. This varies from week to week. The amount is approximately 1-2 hours per evening.
- Student Planners should be utilized as a part of homework “tracking” for all students, parents, and teachers.
- Parents are expected to assist students and teachers in supporting time management skill development.
- Generally, daily homework calendar is posted on teacher web-sites.

GRADE REPORTS
All students can view their mid-trimester reports in October, January, and May. They also receive 3 official trimester end grades each year. All grades and report cards can be viewed in the Portfolio tab in Family Access Grade Book.

FAMILY ACCESS GRADEBOOK
Parents can check their student’s grades through Family Access. The link is found on the PCMS website. Teachers are required to update their grade books at mid-tri and at the end of the trimester although some teachers may update more often.

CONFERENCES and TEACHER-PARENT COMMUNICATION
Parent/teacher conferences are scheduled by parents, teachers, counselors or administrators, as needed. These are known “Guidance Team” meetings. Teachers can also be contacted via voice mail and e-mail.

ACADEMIC INTEGRITY/HONESTY POLICY
Academic integrity speaks to a student’s commitment and responsibility to pursue scholarship openly and honestly. It respects the concept that learning is the primary purpose of education, secondary to grades and credits. Academic dishonesty is defined as any action that may result in creating an unfair academic advantage for oneself or an unfair academic advantage or disadvantage for any other student.
A student shall not attempt to earn credit or receive a grade for coursework (tests, quizzes, assignments, projects, essays) in a manner other than defined as acceptable by each instructor. Academic integrity violations are documented throughout a student’s secondary school career (grades 6 – 12). Academic integrity violations include, but are not limited to:
• Plagiarizing or submitting any part of another person’s work as representing one’s own scholarship
• Distribution/sharing of class assignments or test information in either written or verbal form to another student without teacher permission
• Unauthorized Collaboration – working with others without the specific permission of the instructor on assignments that will be submitted for an individual’s grade. This applies to in-class or take-home assignments/homework, projects, tests, or labs
• Collusion – supporting the lack of integrity/honesty by another student, as in allowing one’s work to be copied or submitted for assessment by another. Collusion also includes the use or sharing of identical or highly similar passages of one’s own work, or the work of another, unless specifically authorized by the teacher.
• Technology Malpractice – any misuse or abuse of private or public technology in relation to grades or in acquiring an academic advantage, including infractions of the school technology user agreement, language translation websites, cell phone messaging or picture transmission.

All students involved in or aware of any of the above transgressions will be disciplined and receive no credit for the assignment. Discipline will be in accordance with the PCMS Handbook and may range from school discipline to suspension.

HIGH SCHOOL CREDIT
All middle school 7th and 8th grade students who complete high school credit courses are eligible to have those grades and credits placed on their high school transcript. A request can be made to add the credit and grade at any time up to the point of the student’s junior year credit review with his/her counselor. Please note that once the grades are added to the high school transcript, the grade and credit cannot be removed and will permanently be included in the computation of the student’s grade point average. [RCW 28A.230.090(4); WAC 392-415-070]

CHECK CASHING POLICY

Our school district has established the following policy for accepting checks and collecting payment on checks. For a check to be an acceptable form of payment it must include your full name, current address, and telephone number. In the event the bank returns your check for non-payment such as non-sufficient funds (NSF), you will be notified by the school and will have 2 weeks to satisfy payment.

If payment has not been made, the face value may be recovered electronically along with a state allowed recovery fee. At this time, the fee to the recovery company, e-Cap, is $25.00. In the event your check is returned for non-payment, the district has the right to no longer accept this form of payment for the remainder of the school year. Alternative forms of payment may be used such as cash, a cashier’s check or a money order. The district receives only the face value or a partial value of the check electronically recovered from e-Cap and does not receive any additional recovery income from a non-payment item.
Pacific Cascade Middle School provides many opportunities for student involvement through our co-curricular program, including activities/clubs, athletics, and fine arts. As representatives of our school, students who participate in the co-curricular programs are held to high expectations and standards. We expect all students to demonstrate excellent citizenship and sportsmanship and to be positive role models at all times.

**ASB CARDS**
The ASB Activity Card fee supports activity days, assemblies, guest speakers, dances, after-school clubs, co-curricular programs, transportation for music festivals and athletics, student recognition, sports equipment, officials, supervision and many other activities.
The price of the ASB card is $35.00.

**IMPORTANT:** ALL STUDENTS PARTICIPATING IN ANY ACTIVITY SANCTIONED BY THE ASSOCIATED STUDENT BODY MUST PURCHASE AN ASB CARD TO BE ELIGIBLE TO PARTICIPATE IN THOSE ACTIVITIES. THIS INCLUDES ALL STUDENT CLUBS AND MUSIC GROUPS.

**IDENTIFICATION CARDS**
All students are provided with a PCMS student identification card, featuring their name, grade and a photo. Students are expected to carry their card at all times during the school day and at school sponsored activities.

**ACTIVITIES**
There are many activities/clubs at PCMS in which students can participate. Activities/clubs are created to reflect student interest.

Students must report directly to a supervised club after school. Students are not allowed to leave campus until the club is over at 4:25/5:20 pm.

**ATHLETICS**
PCMS is a member of the Foothills League Conference and our teams compete with other team members also participating in the league.

Eligibility: In order for students to participate in any athletic program, they must:

1. Maintain passing grades and earn credit in all classes (enroll in at least 4 classes)
2. Maintain a 2.0 trimester and cumulative GPA and have NO failing grades
3. Clear all fines
4. Purchase an ASB Activity Card for $35.00
5. Pay the district participation fee of $50.00 per sport season (with a maximum of $150.00 per student across the year) or $20.00 per intramural (Jamboree) sport.
6. Have a current physical examination completed prior to participation in a sport which must be dated after June 15 of each school year. Physicals are valid for 12 months from the date of the exam, and must also indicate a doctor’s approval for “full participation.” A new physical exam will be required each year of participation.
7. Have completed all athletic registration forms including a physical examination form, medical emergency form, and Coach Confidential Emergency Information Form and returned them to the PCMS Athletic Secretary. All forms can be found on our website or in our front office.
8. Sign an agreement to abide by the Issaquah School District Student Athletic Handbook
Note: In order to participate in any after school activity, theatre, sports, concerts, etc., a student must attend class for at least one-half of the school day. (Exceptions: Medical/dental appointments, certain emergency absences when approved by either the Principal or Assistant Principal.) All fines must be paid.

- In order to maintain athletic eligibility during the current trimester, a student shall maintain passing grades in all classes. Grades will be checked 10 days into the beginning of the sport season.

The student-athlete is allowed to continue to attend and participate in practices only. He/she may not participate in athletic contests during this time. Grades will be checked at the end of the 10-day probation period.
- Academic checks and discipline reviews will be conducted by the Athletic Director, and the student-athlete eligibility will be determined by these checks. If a student continues to fail and/or receive discipline referrals, he/she will not be allowed to participate in athletic competition for the remainder of the season.

For questions regarding PCMS Athletics, you may contact the following:

PCMS Athletic Secretary: Mary Beth Jones @ (425) 837-5904  
PCMS Athletic Director: Jeff McGowan @ (425) 837-5902

**FINE AND VISUAL ARTS**

The PCMS Fine Arts Program offers students an opportunity to participate in programs and productions throughout the year. The Instrumental Music Program includes Concert Band, Jazz Band, Guitar and Orchestra, while vocal music provides Choir and 1Voice Vocal Jazz. In addition, students may have the opportunity to participate in after school drama productions, talent show and drawing and art classes.
PCMS NATIONAL JUNIOR HONOR SOCIETY
National Junior Honor Society is an organization that recognizes and encourages academic achievement while also developing additional characteristics essential to citizens in a democracy. The NJHS member strives to achieve five core principles: scholarship, character, leadership, citizenship, and service.

Students who have a cumulative grade point average of 3.7 after the first trimester of 7th or 8th grade will be invited to join National Junior Honor Society. The invitation to join National Junior Honor Society will be sent to student’s homes in mid-December and the acceptance forms will be due back in early January. The first NJHS meeting at PCMS will be in January. An activity bus is available for bus riders after the meeting, however, the group is so large that members are asked to provide their own transportation if it is possible.

In addition to maintaining or improving their GPA and attending meetings, National Junior Honor Society members will be asked to attend one meeting a month Jan – May and complete eight hours of community service between June and April of the current school year. There is also an expectation that students will not have a suspension, expulsion or final “F” grade in a class due to cheating or plagiarizing. Students who meet these requirements will be invited to attend the Induction Ceremony in May.

7TH PERIOD (AFTER SCHOOL HOMEWORK HELP)
PCMS is proud to run after-school homework support sessions in the areas of Humanities, Math, Science, Spanish, Tech Smart, English Language Learners, and Organization for students with special needs. All sessions run for 6 week terms and attendance will be taken. Students may sign up for the next term if they have been attending regularly and making an effort to complete work. Students who need extra help may be assigned to attend by the administration, teacher, counselor, or a parent, but the service is open to all students. 7th Period runs Monday, Tuesday, and Thursday from 2:45 – 4:10. Students may take the Activity Bus home. Please use the 7th period request form link on the Pacific Cascade Middle School (PCMS) website to enroll your child.

The library is open on Monday, Tuesday, and Thursday as a quiet place for students to do homework after school.

*Thank you to the Issaquah Schools Foundation (ISF) for funding our 7th period!

COUNSELING CENTER
The counseling staff is organized with three full-time school counselors, a full time mental health counselor, a school psychologist and a Registrar. Students are assigned to a specific counselor for academic, emotional, and social needs, while the mental health counselor is available for students needing in-depth social/emotional support. Students can make appointments with their counselor by visiting the Counseling Center, located in the main office. Parents can also make appointments with their students’ counselor by calling the Registrar, Kim Schneider at 837-5911, between 7:50 a.m. and 3:45 p.m. daily.
COUNSELING CENTER SERVICES INCLUDE:

- Work individually with students to listen and talk through their concerns, problem solve, and resolve issues with teachers, peers and family members
- Provide classroom presentations on relevant topics such as Depression and Suicide Prevention, Harassment and Bullying, and Career Exploration
- Teach “Life Skills” curriculum once a week in all 6th grade Health classes
- Connect families with resources in the district and community
- Help students map an academic plan that guides them through any of our district comprehensive high schools
- Assist 6th grade students in making a successful transition to middle school, and 8th grade students in making a successful transition to high school

WITHDRAWAL PROCESS
Students withdrawing from Pacific Cascade should contact the Counseling office at least 3 days before their last day in school. Prior to withdrawing, students are required to:

1. Obtain grades and signatures from all teachers
2. Return all books to the library
3. Return all textbooks to the Textbook Coordinator
4. Check with the Bookkeeper for all fines
5. Clean out hall locker and PE locker (if applicable)

Return required paperwork to the Counseling office for clearance
Failure to complete any of these items may cause a delay in forwarding student records to another school. An official transcript will not be sent to another school if a student withdraws without paying fines or returning books. Please contact the Registrar, Kim Schneider, at (425) 837-5911 if you have any questions.

PRIVATE SCHOOL APPLICATIONS AND RECORDS REQUESTS
All private school applications and other records requests should be turned in directly to the Counseling Office. A release of information form needs to be completed by the parent/guardian in order to send records to third party. Please do not give applications to teachers without contacting the Registrar. Application requests require a minimum of 3 business days to process. A $2.00 fee will be assessed for each application to cover mailing costs and copies.
Love and Logic is a philosophy of raising and teaching children which allows adults to be skilled in the interactions with children. Love allows children to grow through their mistakes. Logic allows children to live with the consequences of their choices. Love and Logic is a way of working with children that puts parents and teachers back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences.

Students, parents, and school personnel are jointly responsible for expecting and demonstrating behavior that ensures a safe, orderly and healthy environment for all persons at all times. Students may not behave in a manner that is disruptive to the educational process or that is unsafe for other students, staff, and/or self.

At Pacific Cascade a progressive discipline approached is used. The goal is to assist the student in:

- identifying the problem
- understanding what new behavior is necessary
- encourage the student to accept accountability for his/her actions
- provide the student with an opportunity to demonstrate improvement and personal growth

There are two forms used in documenting student behaviors.

- Progressive Discipline Form – used in the classroom to document up to three general rule violations. Students are referred to the office after the third violation.
- Immediate Discipline Form – used in situations where immediate action is needed: fights, insubordination, defiance.

Every case is considered on its individual merit. Repeated violations may result in severe disciplinary action or suspension.

**STUDENT LEARNING CENTER**

An additional support will be offered to our students that need a quiet place to work throughout the school day. This room will also be available to students that require an alternative setting during lunch and/or for other extenuating circumstances.

**DRESS CODE**

The purpose of the dress code is to facilitate the process of education through reasonable guidelines of “dress”. Our goals are modesty, neatness, and cleanliness in attire (which includes clothes, accessories, and cosmetics) to protect the health and safety of students, as determined by building staff and administrators. The dress code at Pacific Cascade Middle School will be enforced. Students will be asked to change if not wearing appropriate clothing, as determined by building staff and administrators.

- Shoulder straps of a single shirt must be at least 3 fingers wide. Shirts cannot be low-cut in the front or back. (No bare midriffs, no spaghetti straps, no visible undergarments)
- Students are asked to wear clothes that completely cover undergarments (bras, bra straps, boxer shorts, thong underwear, underwear, etc.)
- Shorts and skirts must be at least the length of student’s fingertips when hands are dropped to sides.
- Cannot advertise or display writing or pictures that are obscene or suggestive.

If a student’s dress or grooming is objectionable under these provisions, the principal or designee will ask the student to make appropriate corrections. If the student refuses, the student is subject to disciplinary action. A complete copy of Policy #3224 may be obtained at any school.
ELECTRONIC READING DEVICES

Students may use electronic devices such as Amazon’s Kindle, Barnes & Noble’s Nook, Apple’s iPad, and laptops in accordance with our Electronic Device User Agreement. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents. This agreement excludes all cell phones and smart phones.

In order to bring an electronic device to school, students must first do the following:

- Obtain a copy of the Electronic Device User Agreement Form, review the agreement and have both parent and student sign off on the agreement. This form can be obtained in the office or off the school website.
- Return the Electronic Device Acceptable Use Permission Form to the office for approval.

The use of any device (including Wi-Fi access) is for education and research only. Please refer to The Electronic Information System Agreement Terms on page 22.

EMERGENCY PREPAREDNESS

Safety is the number one priority for Issaquah District Schools. As a result, every school has a clear crisis management plan. The plan is in place to first and foremost prevent a crisis, but also to prepare, respond and recover from one should it occur. In our quest to be prepared, each building is required by law to practice Lock Down drills, Fire drills, Shelter in Place drills and one drill chosen by the building each year. This practice will help in the event of a real crisis.

School information and Student Release
(Where to find your child in the event of a school crisis)

In the event of a crisis that occurs on a school campus, the district website will be the main information source for parents regarding school updates. You may want to keep the district site book-marked for future reference. The district will also be in close contact with law enforcement and the media to help deliver important school information should a school crisis take place. Pacific Cascade’s Parent/Student Reunion Station will be located in the back parking lot. Parents should park off campus across the street. Parents must bring picture ID. Since we will be releasing over 800+ students, the process will be lengthy. We appreciate your patience as we reunite students and parents in the safest and most secure way possible.

HEALTH ROOM PROCEDURES

Immunizations
All Issaquah School District students must comply with immunization standards. On or before the first day of attendance, each student is required by state law to have a signed “Certificate of Immunization” on file at school. For middle school, the requirements are:

DTaP (Diphtheria, Tetanus & Pertussis) 5 doses are required for school entry.
Plus one dose of Tdap is required for all grades given on or after 11 years of age.
Polio – four doses
MMR (Measles/Mumps/Rubella): **two doses given after the first birthday and at least 28 days apart.**
3 doses of Hepatitis B Series are required for all middle school students.
Chickenpox vaccine (Varicella) two doses or verification of disease by a healthcare provider is required for 6th grade entry. The vaccination is recommended but not required for grades 7 & 8.
Religious, philosophical, or medical exemption is allowed and must be signed by a medical provider. However, in event of an outbreak of a “vaccine-preventable disease” for which the student is exempted, the student may be excluded from school by order of the local health department for the duration of the disease.

**Medications**

For a student to receive medication at school, this procedure must be followed:

- An “Administration of Oral Medication at School” form must be signed by a parent/guardian and a licensed health professional for both prescription and over-the-counter medications.
- Students are not to carry their medication except when the appropriate box is checked on the form for an inhaler or Epi-Pen.
- All medication must be in the original container labeled with the student’s name, name of medication, dosage, mode of administration, and name of physician.

**Emergency Information**

- Confidential Emergency Information forms must be on file in the health room for every student. It is vital that parents/guardians fill out these forms completely online. These forms are especially important to have on file in case of emergency or illness.

- If your child has a life-threatening health condition (severe bee sting allergy, severe food allergy, severe asthma, Epi-Pen, diabetes, seizures, etc.), Washington State Law SHB 2834 requires that a medication or treatment order and a nursing plan be in place before your child’s first day of school. Immediately contact your child’s school nurse at 425-837-5908.

**Injuries or illness at school**

- Ask your teacher for a pass to the health room.
- Health room staff will assist you, give first aid and/or contact your parents as appropriate.
- All emergencies and injuries should be reported promptly to a staff member. An incident report will be filled out by a staff member.

Parents who do not want directory information, photographs or video tapes, or their telephone number released must submit a written request to their student’s school no later than September 15th of each school year. If the school does not receive a request by that date, school staff will assume that there is no objection to the release of such information. A complete copy of Regulation #3231 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

**Attendance**

Regular and punctual attendance is important to your student’s progress. According to Washington State law, enrolled students eight years of age and above and their parents are responsible for ensuring the student’s daily attendance. Please help your student develop good attendance habits.

Absences that are excused include: illness/health, religious observances, school-approved activities, family emergencies, disciplinary actions as required by law, and family trips with prior principal permission. In case of absences, please notify the school before a.m. and provide your name, your child’s name, grade and reason for the absence.

When your child returns from an excused absence, the teacher will provide a list of make-up assignments, along with a reasonable timeline for completion. The student is responsible for completing missed work. Make-up assignments are not provided in advance.

Since daily attendance and active participation in class are critical parts of the learning process, failure to attend class may result in loss of credit and impact the student’s grade.

**Computer/Technology Use**

The District encourages information dissemination, collaboration, innovation, and experimentation through the ethical use of technology. The District requires its staff and students to adhere strictly to Regulation and laws applying to technological hardware and software. In cases involving any activity prohibited by District Regulation and/or law, rights accorded to persons by the District, such as privacy, do not protect an individual from discipline and/or prosecution. Complete copies of Regulations #2022 and #5225 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

Every student using a District computer is required to have a parent sign a Responsible Use Agreement. This form acknowledges the right of the District to review material stored on its network, as well as the wide range of information accessible through public networks. It also releases the District from liability for any damages due to information gained or obtained through the District network, including access to public networks.

**Student Conduct**

Any student, who willfully performs any act which materially interferes with, or is detrimental to, the orderly operation of a school-sponsored activity, or any other aspect of the educational process within the Issaquah School District, will be subject to discipline, suspension, or expulsion.

The District requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the school day as well as during any school activity conducted on or off campus. Special rules are also applicable while riding on a school bus.
Students are expected to:

A. Conform to reasonable standards of acceptable behavior;
B. Respect the rights, person and property of others;
C. Preserve the degree of order necessary for a positive climate for learning; and
D. Submit to the authority of staff and respond accordingly.

Student discipline, suspension, and/or expulsion will be administered in such a manner as to take into consideration the nature, severity, and circumstances of the violation, the individual circumstances of the student, and prior or other forms of corrective action or discipline which may have been imposed. A complete copy of Regulation #3241 and related Regulations are available on the District’s website.

Any action, which removes a student from school for longer than one day, will comprise a “disciplinary action” and will be documented.

Drug Free Zones

Schools in the Issaquah School District are protected as drug free zones, as established by the City of Issaquah and King County. Drug free zones provide for possible double penalties for anyone caught trafficking controlled substances within 1,000 feet of a designated school, school bus stop or public park.

Distribution of Printed Materials on School Grounds

In respect for the rights and beliefs of all of our students, you must obtain prior approval from the office of the Operations Coordinator before you or your student attempt to hand out any printed information, including invitations, to students or staff on school grounds. If you wish to post information on the school’s community bulletin board or other area set aside for this purpose, please contact your principal for approval. Guidelines for distribution of material on school grounds are included in Regulations #2340 and #4320. A complete copy of these Regulations may be obtained at any school or on the District website at www.issaquah.wednet.edu.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act affords parents and students over 18 years of age certain rights with respect to the student’s education records, which are:

The right to inspect and review the student’s educational records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the principal or appropriate school official a written request, identifying the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request an amendment of the student’s education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may submit a written request to the principal, identifying the part of the record they wish to have amended, and the reasons why they believe the record is
inaccurate or misleading. If the District decides not to amend the record, the parent or eligible student will be notified of the decision, of their right to a hearing, and of the hearing procedures to be followed.

The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent the FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is the disclosure to school officials with legitimate educational interests, such as: an administrator, supervisor, teacher, or support staff member, a school board member, law enforcement personnel; a person/company with whom the District has contracted to perform a service, such as: an attorney, auditor, medical consultant or therapist; or a parent/student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Upon request, the District discloses education records without consent to officials of another school District in which a student seeks or intends to enroll.

Parents or eligible students have the right to file a complaint with the U.S. Department of Education concerning any alleged failure by the District to comply with the requirements of FERPA at the following address:

Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or

Homework

Homework, as an extension of the classroom, must be planned and organized; must be purposeful to the students; and must be evaluated and returned to students in a timely manner. The purposes of homework assignments, the basis for evaluating the work performed and the guidelines and/or rules should be made clear to the student at the time of the assignment. A complete copy of Regulation #2422 and related Regulations are available on the District’s website.

Release of Student Information

The Issaquah School District cannot release student information to persons or organizations outside the District without the written consent of a parent, with the following exceptions:

The school District will forward education records upon request to a school in which a student seeks enrollment.

The school District will release directory information which includes the student’s name, address, telephone number, date and place of birth, participation in officially recognized activities, sports, weight and height of members of athletic teams, attendance dates, diplomas, awards received, yearbook and other photos, and most recent school attended.

The school District may also release photographs or videotapes of students taken in circumstances not generally considered harmful or an invasion of the privacy of the involved students.

Information will not be released for commercial purposes.

The Family Educational Rights and Privacy Act grants to parents the right to restrict the release of some of this information. Parents who do not want directory information, photographs or video tapes, or their telephone number released must submit a written request to their student's school by September 15. If the school does not receive a request by that date, school staff will assume that there is no objection to the release of such information. A complete copy of Regulation #3231 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

Responsibilities, Duties, and Rights

A primary mission of the Issaquah School District is to provide learning experiences that help all students develop skills, competencies, and attitudes that are fundamental to their becoming responsible, contributing citizens. It shall be the responsibility and duty of the students to:

Student Conduct Expectations

As authorized by chapter 28A.600 RCW, the following procedure sets forth rights and conduct expectations for students, along with the sanctions that may be imposed for violations of such expectations. At all times, this procedure will be read consistent with federal statutes and regulations, state statutes, common law, and rules promulgated by the Washington Office of the Superintendent of Public Instruction.

Respect for the Law and the Rights of Others

The student is responsible as a citizen to observe the laws of the United States, the state of Washington, and local ordinances and laws. For purposes of Regulation 3240 and this procedure, the term "District personnel" includes all adults, including contractors and volunteers, authorized to supervise student activities. Failure to do so will be cause for disciplinary action. All students will submit to reasonable discipline by the School District and its representatives for violations of regulations and rules.

The following list of offenses generally describes such conduct, but is not intended to be exclusive. Each is specifically prohibited on school grounds, on school sponsored transportation, at school events off school grounds, and off school grounds if the conduct materially and substantially affects the educational process or District operations.

Law enforcement agencies shall be contacted in violations of assault; possession, use or transmitting alcohol or other drugs not prescribed for the individual; arson; possession of a dangerous weapon or weapon facsimile; reporting false alarms; of abuse and theft as appropriate; and of other criminal activities. Nor shall the student possess, use, sell, or transmit paraphernalia associated with such drugs, alcohol, or chemical substances.

Multiple offenses of any of the above—emergency expulsion, police notified; may result in expulsion from the District

**Selling controlled substance**

1st offense – LTS(30-90 days); emergency expulsion; police notified

2nd offense – emergency expulsion, police notified; may result in expulsion from the District

**Alternative Consequences for Drug/Alcohol Violations**

Alcohol and drug use is a considerable threat not only to those students who are under the influence, but also to those who are innocent bystanders. The Issaquah School District is committed to providing a drug-free environment for all students and maintains zero tolerance for students who violate the School District Regulation concerning drugs and alcohol. The usual recommended consequence for a first offense of the ISD Drug/Alcohol Regulation is emergency expulsion, followed by a 90-day suspension from school. A second offense may result in the student’s permanent expulsion from the Issaquah School District.

In an attempt to identify a student’s drug or alcohol dependency or abuse and support those students in attaining follow-up care or education, **Beaver Lake Middle School** offers an alternative to a lengthy suspension. Listed below are the expectations and steps a student must follow in converting an emergency expulsion to a long- or short-term suspension:

Choose a state certified assessing agency and sign appropriate release forms to:

Enable the school to give the assessing agency information that would be useful in making an accurate assessment, and

Allow the assessing agency to share information regarding the student’s assessment and ongoing progress with school personnel.

Fully participate in a drug/alcohol assessment at the agency.

Student Athletic/Activity Code

Participants in this voluntary program are expected to conform to specific conduct standards established by the District, principals, athletic directors and coaches. All interscholastic activities and events shall be in compliance with the rules and regulations of the Washington Interscholastic Activities Association (WIAA) and or the Issaquah School District as appropriate and determined by the Executive Director of Compliance and Legal Affairs.

Provision is made for a student who has allegedly violated one or more of the athletic/activity conduct rules to appeal a disciplinary action as specified in procedure 2151P. General conduct expectations and requirements for students participating in athletics/activities are found in Regulation 2151

A complete copy of Regulation 3240 may be obtained at any school or on the District website at www.issaquah.wednet.edu

Safe and Positive Environment

The Issaquah School District believes that a safe, civil environment is essential to high student and staff
achievement, to the free exchange of ideas central to a quality educational process, and to the development of youth as thoughtful participants in our democracy. Conversely, uncivil conduct, like other forms of disruptive behavior, interferes with a student’s ability to learn and a school’s ability to educate its students.

The Issaquah School District strives to maintain a learning environment where all students, staff and members of our community can be free from intimidation and harassment. One way we foster such an environment is by informing students and employees—as well as parents—of their personal rights. We explain proper behavior in schools and what kinds of behavior are inappropriate. The District's Regulations on harassment—sexual and otherwise—support our high expectations for proper behavior. Please take a moment to review the summary of Regulation 3205 and 3207, which protect students. If an individual experiences harassment, an informal or a formal complaint process is available. If the complaint is not resolved satisfactorily, there is an appeal procedure.

**Searches**

Students are entitled to the guarantees of the Fourth Amendment and shall be secure in their persons, papers, and effects against unreasonable searches and seizures. However, school officials have the responsibility of maintaining a safe environment and are empowered to conduct a reasonable search of a student and school property when there is reasonable cause or grounds for suspecting or believing that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. Any search conducted must comply with applicable laws. School property will remain under the control of school officials, and will be subject to search. A complete copy of Regulation #3230 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

**Sexual Harassment**

Students and staff are protected against sexual harassment by anyone in any school program or activity, including on the school campus, on the school bus, or off-campus during a school-sponsored activity.

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

1. A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or

2. The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational or employment environment.

**Examples of Sexual Harassment:**

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, e-mails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault
You can report sexual harassment to any school staff member or Title IX Coordinator, Sena Camarata, 425-837-7000 camaratas@issaquah.wednet.edu.

You also have the right to file a complaint (see below). For a copy of your District’s sexual harassment Regulation and procedure, contact your school or District office, or view it online here: http://www.issaquah.wednet.edu/docs/default-source/district/regulations-manual/3000/3205p-sexual-harassment-of-students-prohibited-procedures.pdf?sfvrsn=0

COMPLAINT OPTIONS: DISECRIMINATION AND SEXUAL HARASSMENT

If you believe that you or your child have experienced unlawful discrimination, discriminatory harassment, or sexual harassment at school, you have the right to file a complaint.

Before filing a complaint, you can discuss your concerns with your child’s principal or with the school District’s Section 504 Coordinator, Title IX Officer, or Civil Rights Coordinator, who are listed above. This is often the fastest way to resolve your concerns.

Complaint to the School District

Step 1. Write Our Your Complaint

In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the District should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the Superintendent or civil rights compliance coordinator.

Step 2: School District Investigates Your Complaint

Once the District receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the District will notify you in writing to explain why staff need a time extension and the new date for their written response.

Step 3: School District Responds to Your Complaint

In its written response, the District will include a summary of the results of the investigation, a determination of whether or not the District failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the District into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.
Appeal to the School District

If you disagree with the District’s decision, you may appeal to the District’s Board of Directors. You must file a notice of appeal in writing to the secretary of the Board within 10 calendar days after you received the District’s response to your complaint. The Board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The Board will send you a written decision within 30 calendar days after the District received your notice of appeal. The Board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

Complaint to OSPI

If you do not agree with the District’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the District’s complaint and appeal process, or (2) the District has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:

**Student Dress**

The student and parent/guardian may determine the student’s personal dress and grooming standards, provided that the student’s dress and grooming do not lead school officials to reasonably believe that such dress or grooming will:

- Disrupt, interfere with, disturb, or detract from school activities.
- Create a health or other hazard to the student’s safety or to the safety of others.
- Promote by printed word or symbol the use of illegal substances or other prohibited activities which may include, but not be limited to, intimidation, harassment, sexual innuendo, vulgarity, and obscenities.

If a student’s dress or grooming is objectionable under these provisions, the principal or designee will ask the student to make appropriate corrections. If the student refuses, the student is subject to disciplinary action. A complete copy of Regulation #3224 may be obtained at any school.

**Transportation**

The mission of the District and bus drivers is to safely transport students to and from school. A complete copy of Regulation #6606, setting forth the specific rules of conduct on buses, may be obtained at any school or from the Transportation Department.

The District uses random placement of video cameras on school buses to maintain good order and increase safety. The video tapes may be used to identify students who violate the rules of conduct for buses and for decision based on those violations. A complete copy of Regulation #6608 may be obtained at any school or the Transportation Department.
