

**DISTRICT LOTTERY
KINDERGARTEN DUAL LANGUAGE APPLICATION
2021-2022 School Year**

The Dual Language Program is housed at Clark and Issaquah Valley Elementary Schools. Kindergarten students at those schools have first priority for placement into the program. In the event program spaces are not filled by Clark/Issaquah Valley students, a district-wide lottery will be held.

I wish to place my student in the Kindergarten Dual Language Program district-wide lottery for consideration for placement in the 2021-2022 school year. I understand that the expectation is for my child to continue in the program all through elementary school.
