Important information for students receiving Special Education Services or ELL students.

My student is on an IEP or receives Special Education Services:
Special education is not available as part of the summer school program; however, students with disabilities who, with reasonable accommodations, are able to participate and derive educational benefit in a regular classroom setting using regular curricula are eligible to register.

My student is in the ELL Program:
ELL services are not available as part of the regular summer school program; however, ELL students who are able to participate and derive educational benefit in a regular classroom setting using regular curricula are eligible to register.

Please contact your ELL teacher to learn more about the ELL Summer Program.
