Where to Access Bus Route Information for Enrolled Students:
Visit the ISD website at www.issaquah.wednet.edu and click on "Bus Routes" in the middle of the home page. This is where currently enrolled families can log in (following the directions provided on the webpage) and find their student's bus route, stop location, stop time, and route information. When making note of your student's bus information, please note the route number for your student, not the bus number. Throughout the school year the bus number may change, however the route number will not change without prior notification.

Blackboard:
Blackboard is how the Transportation Department notifies parents and/or guardians of specific route delays or issues. The contact information in Blackboard is pulled directly from Family Access. Please ensure your cell phone number and/or email in Skyward is up to date to reflect where you want this important information sent. The Transportation Department sends emails, texts, and voice messages.

Flash Alert:
Flash Alert is an alternate resource for getting weather closure or delays messages from the ISD Transportation Department. There is a mobile app or families can sign up at their website: www.flashalert.net.

What Happens If...?
- **My Student Gets On the Wrong Bus:** Contact Transportation at 425-837-6329 with the student’s name and correct bus route. Dispatch will coordinate with the drivers to find what route the student is on.
- **My Student Gets Off at the Wrong Stop/Misses the Bus:** Contact Transportation at 425-837-6329 with the student’s name and correct bus route. Dispatch will coordinate with the driver.
- **A Bus Breaks Down/Is In An Accident:** Safe transportation is our top priority. A replacement bus will be on the scene as soon as possible, and schools and parents will be notified regarding tardiness.
- **No Parent or Guardian is Present at Drop-off:** For Kindergarten only - Transportation will try to call the parent on file. If no answer, Dispatch will call the school. If the school can accept the student they will be brought back to campus. If not, the student will be brought back to Transportation.

Using the information on the inside of this bulletin, use this space to note your family’s personal emergency transportation information.
