

**Issaquah School District
Executive Limitations Monitoring Report**

**EL-16 EQUITY – Annual Internal Report
January 23, 2019**

We believe that each student has the potential to achieve, and it is our responsibility to provide all students the opportunity and support needed to meet their highest capability in a safe and welcoming environment. We acknowledge that systemic and institutional inequities and bias exist, creating barriers for student achievement and well-being. We are committed to raising the achievement of all learners regardless of race, status, varied ability, mental health, English language fluency, gender, gender identity, sexual orientation, religion, trauma impact, and geography. Our culture should promote the identification and removal of barriers causing predictability and disproportionality of the highest and lowest achieving groups.

The Superintendent shall not fail to ensure an environment and culture that values and respects the diversity of its students and staff, addressing factors affecting student achievement and well-being.

Accordingly, the Superintendent shall not fail to:

- 1. Promote an environment and culture that is committed to every student having the opportunity to reach their full potential through educational equity. The Superintendent shall:
 - a. Recognize the existence of systemic and institutional inequities for students.*
 - b. Actively encourage, support and expect high achievement and social-emotional well-being for students from all racial groups and other identified subgroups.*
 - c. Provide equitable access and academic support throughout our educational system.*
 - d. Provide curriculum that prioritizes diverse viewpoints and cultural relevance.*
 - e. Promote an environment and culture that supports and encourages effective engagement of all students and fosters cultural competency in students.*
 - f. Provide professional development, training, and engagement opportunities to inform and practice cultural competence, and increase awareness of personal and systemic bias and inequities in teaching, counseling, advising, and coaching practices, as well as in discipline, staff – student interactions, and staff – parent interactions.*
 - g. Provide equitable access and an inclusive, welcoming, and safe environment to school activities, clubs, and athletics.**

INTERPRETATION

I interpret this to mean the Issaquah School District will:

- Identify and examine disparities in our school system. (a)
- Identify and expect rigorous academic standards for all students. (b)
- Foster the well-being and social-emotional health of our diverse student population. (b)
