

PARAPROFESSIONAL LEARNING

OCTOBER 14TH

The first Paraprofessional Training on August 27th, 2019 kicked off our busy year with over 200 paras attending! If anyone missed this training - Supporting a Positive and Safe Learning Environment (Course A), there will be a **make-up opportunity** offered on **January 27th, 2020**.

Our next training for **instructional paras only** is planned for **October 14th, 2019** which is a **non-student, contracted/paid work day**. This is coming up soon! If you haven't already registered for this training – Course B – Instructional Support, please go to [True North Logic - Login](#) and sign-up. All BASC, HRS, and Transportation paras will have separate trainings which will be communicated to you by your supervisors.
