MEMORANDUM

TO: All Certificated Staff (IEA)

FROM: Gary Arthur, IEA President
       Lisa Hechtman, Assistant Superintendent of Human Resources

SUBJECT: ASSIGNMENT & TRANSFER PROCESS FOR 2020-2021 SCHOOL YEAR

DATE: January 31, 2020

The District shall, in making assignments, consider the qualifications, interests and aspirations of its staff members, as well as the needs and best interests of the District. Staff members will be assigned by the Superintendent or designee to positions for which their preparation, certification and experience qualify them. The way to achieve this is to facilitate input and communication at several steps in the process of staff assignment between the administration and the staff members.

Current building and program staff will be considered for new offerings or vacant sections at the building/program level, based on the premise that it should not be more difficult to get a building and/or program reassignment than a District transfer. Consideration for a position shall mean that the building principal and/or program manager has made a good faith effort to place staff where they desire to be assigned. However, consideration shall not mean a guarantee of reassignment. It is the building principal and/or program manager who makes the final determination of assignments and reassignments, when a position is vacant.

Definitions: Complete definitions are in Article 7 of the IEA Collective Bargaining Agreement, although several are here for quick reference.

- Building reassignment is a change within a building.
- Transfers are a change from one building or district program to another.
- District program staff are SLPs, OTs, PTs, nurses, psychologists, program specialists, SAGE teachers, PBSES coaches, TOSAs, and counselors, and staff members assigned to K-12 music, K-12 library, elementary PE, special education, elementary magnet programs, and ELL.
- Program reassignment is a change within a district program.

This form must be submitted to your building principal/program manager by 3:00 pm, February 28.

Staff members who wish to be part of a “job share” position must submit the Job Share online application in accordance with Article 7, Section 6, by 3:00 pm, February 28, 2020.

Selection Process: In accordance with Article 7, Section 2, transfers occur through the interview process with either a building or district team. If, for any reason, i.e., summer vacations and other breaks, the staff member will not be available to be contacted at his/her regular work location regarding open positions, s/he shall keep the District informed of how s/he can be reached by mail, email and by phone.

The District will make a good faith effort to contact qualified staff members on the transfer list for any new or newly vacant positions. Attempting to reach a staff member by phone or email over a period of forty-eight (48) hours shall be considered good faith efforts. Once contacted, the staff member has two (2) administrative workdays (Monday through Friday) to accept or reject an offer of a transfer interview or transfer.

Interview teams will make a recommendation to the Human Resource Department either to offer the position to a transferee or to post the position outside. Prior to posting the position, all unsuccessful in-district applicants will be notified if s/he did not receive the transfer. At the request of the staff member, the reasons will be given in writing.
