The Issaquah Schools Foundation (ISF) had an incredible 2009-2010 school year! Most notably, the number of supporting students in need of academic and/or personal support through the ISF's Mentoring Program.

- Graduated the largest class of National Board Certified teachers.
- Increased by 150 percent the number of sophomores and juniors taking the Prepatory Scholastic Aptitude Test (PSAT) by bringing it to all students during the school year.
- Promoted literacy by purchasing award-winning books for every elementary, middle, and high school library.
- Expanded and enriched for literacy for every Issaquah School District student.

Thanks to every parent and community member for making these successes possible. To learn more, visit us at www.issaquah.wednet.edu/mentoring.

The Issaquah School Foundation’s (ISF) 17th Annual Fund is underway. The Foundation’s 17th Annual Fund campaign will support, our school facilities contribute to the quality of a student’s education because they are safe, comfortable, and equipped for optimal learning. They are true educational facilities.

For those who have not yet taken the time to complete their drive around the District, here is a snippet of current school construction: Skyline High School

Built in 1971, Skyline High is undergoing an expansion and remodel. The project features an addition and expanded gym and expanded science courses for.

Focus on building the future

Successes this school year, looking forward to next fall

The 2009-10 school year was defined by building. In the figurative sense, the Issaquah School District has spent the last nine months laying foundations for the future through achievement initiatives (curriculum development and comprehensive academic assessment), resource planning (classroom additions to be completed by fall 2011), increased staff support, our school facilities contribute to the quality of a student’s education because they are safe, comfortable, and equipped for optimal learning. They are true educational facilities.

Building the future: Events and milestones in 2009-10

- 21 teachers earned National Board Certification, award recognizing the number of peer-recognized accomplishments in the District.
- The district has been named a "Green Team" for being among the top five percent of high schools nationwide in energy efficiency.
- The Issaquah School Board implemented a new policy requiring all students in grades 7-12 to start taking health classes beginning in the fall.
- Voters approved three bond issues in February allowing the district to build new schools, rebuild old ones, update its bus fleet, and keep pace with current educational technology.
- The District received its seventh consecutive "E" rating from the state.
- Students at Ingraham High School learned to translate from English to Spanish to improve their employment opportunities.
- The District opened a new four-year agreement with the District in June, which will carry through August 2014.

The Issaquah School Foundation (ISF) had an incredible 2009-2010 school year! Most notably, the number of supporting community members grew, enabling ISF to further its mission of providing local schools the resources to prepare today’s student for tomorrow’s global society. With donor assistance, the Foundation:

• Graduated the largest ever class of National Board Certified teachers.

• Gave $120,000 to 565 NW Holly St., Issaquah, WA 98027 campaigns. To learn more, visit us at

• Blew away its academic and/or service learning goals.

• Fueled innovation and creativity in technology, chemistry books and lab equipment, and core areas by fall 2010; completion in summer 2010; completion in summer 2012.

• Gave $10 million to allow high schools to take the Preliminary Scholastic Aptitude Test (PSAT) by bringing it to campus.

• Gave $30 million middle- and high-school students access to the latest from classrooms teachers at West-School Horticulture Clubs and labs.

• Increased by 150 percent the number of sophomores and juniors taking the Preliminary Scholastic Aptitude Test (PSAT) by bringing it to school.

• Expanded and enriched education for every Issaquah School District student.

• Graduated the largest ever class of National Board Certified teachers. Their new skills will directly affect over 5,700 elementary-, middle-, and high-school students during the school day.

• Graduated the largest ever class of National Board Certified teachers. Their new skills will directly affect over 5,700 elementary-, middle-, and high-school students.
