# AGREE or DISAGREE?

Read the statement below, then decide whether you agree or disagree with it. Be prepared to support your opinion with details from the story. Here's your discussion prompt:

The use of foreshadowing in "The Monkey's Paw" is so obvious that it gives the events away before they happen.

What do you think? Write a paragraph supporting your opinion and then write a reply paragraph. If you're working with others, your reply paragraph should respond to the ideas of another student. If you're working alone, your reply paragraph should support the opposite point of view from your own.
