

Issaquah School District

565 NW Holly Street
Issaquah, WA 98027

Issaquah School District
Integrated Pest Management
Pre-Notification Form
Valid 9/1/19 through 8/31/20

On rare occasions, the District uses pesticides to control weeds and insects, and those occasions are usually during times when school is not in session. *Treated areas are clearly marked* if pesticides are used during school sessions.

If you need to know ahead of time that pesticides will be used at your school, please complete the information below and send the completed form to the **May Valley Service Center, Attn: Dan Sheffer, 16430 SE May Valley Rd, Renton, WA 98059**. If you have questions about this notification process or the District's IPM program, please call Dan Sheffer, (425) 837-5052.
