October 2019 Edition

Communication Corner

Welcome to the start of the 2019-2020 school year!

The Early Learning Department is eager to resume our professional learning events for community preschool providers. We have had a delayed start due to the move of our administrative offices this summer and the hiring of my new assistant. I am pleased to introduce Mariya Naumova who will now be communicating with you about the Preschool Outreach events. Her contact information is: naumovam@issaquah.wednet.edu or (425) 837-7096.

Please don't hesitate to contact me if you have questions or ideas about our continued partnership.
Nancy Young, Director of Early Learning, youngn@issaquah.wednet.edu

In the News

After two years of development and preparation, the ISD opened its first Spanish-English Dual Language Immersion Program this fall! The program is at Clark and Issaquah Valley Elementary Schools with one kindergarten classroom at each school. Each year, kindergarten students who enter the Dual Language Program will form a cohort that will potentially continue through high school. The goal of the program is for students to become bilingual, biliterate and bicultural with high levels of academic achievement in both languages.
