Issue Three—June 2019

Conversation Corner

Thank you for your participation in our Preschool Outreach sessions during this past school year. We enjoyed meeting you and getting to know you and your preschools better. More professional development offerings will be provided in the upcoming year.

Please note that the ISD Administrative offices are moving over the summer to a new, larger location in Issaquah at 5150 220th Ave SE. Even though our administrative offices are moving, we will continue to hold our Preschool Outreach sessions at our Holly Street address.

We hope you have a wonderful and relaxing summer and
We look forward to seeing you in the fall!

Upcoming Events
