

# Facilities and Staff Safety Workgroup

## Purpose and Objective

- Plan for maintenance of the health of the work and learning environments
- Provide feedback, suggestions, and recommendations to other workgroups and District level steering committee

## Considerations

- Personal Protective Equipment (PPE)
- Cleaning protocols and supplies
- Morning/afternoon flow of students
- Isolation protocols
- Facility rentals
- Signage
- Screening process
- Visitor access
- Emergency drills
- Other related topics

## Not Focusing On

- Transportation
- Food Service

Food service and transportation will follow key school reopening model decisions

# Supply Inventory

## Face Coverings

- 90,000 disposable on hand
- 60,000 reusable cloth – July
- 5,000 N95 on order

## Face Shields

- 300 on hand
- 5,000 on order
- 5,000 requested from King County

## Gloves

- Weekly replenishment
- To be used only for cleaning, nurses, staff who may come in contact with bodily fluids

## No Touch Thermometers

- 350 in inventory
- For screening anyone entering building
- Each building will receive supply

## Gowns

- 5,000+ on order
- Nurses and isolation areas

## Backpack Disinfectant Sprayer

- One for every building
- Dedicated custodian

## Plexi-glass Sneeze Guards

- Expectations
- Consistency among buildings
- First round has been delivered
- Second round dissemination shortly
- Facilities team will continue to expand during the summer

## Tape

- Floor/ground distancing
- Directional markers

## Social Distancing Discs

- 4,300 in inventory
- Will be distributed to each building
- Flexibility

## Hand Sanitizing

- Spray bottles
  - Each classroom
  - Entry points/high traffic areas
  - Stations throughout the buildings
  - Portables

## Disinfectant Wipes

- For specialized equipment only (e.g. electronics)

District is researching other supplies, technologies

- Temperature Cameras
- Attestation App
