

We Are the Wolf Pack

Up on a hill behind the trees
There lived possibilities
At a place we like to call Cedar Trails.

Wolves are surrounded by our friends
Where our learning never ends
We will not fail- hold up your tail!

**We are the Wolf Pack
Now hear us growl (growl)
We're always loyal
And so accountable**

**When faced with problems
We'll always solve them
We are the Wolf Pack
Now hear us Howl! (howl).**

Inspiring every heart and mind,
We are courageous and we're kind
Wolf strength gets us through each and every day.

We are the wolves of Cedar Trails,
We will fight on we will prevail
We will not fail- hold up your tail!

**We are the Wolf Pack
Now hear us growl (growl)
We're always loyal
And so accountable**

**When faced with problems
We'll always solve them
We are the Wolf Pack
Now hear us Howl! (howl).**

(Repeat Chorus)
