

# IHS Materials Distribution

**Who?** All students enrolled in classes at Issaquah High School

**What?** A time for students/families to come to campus to PICK UP ITEMS:

- a. Pick up textbooks
- b. Pick up materials for courses (art supplies, calculators, paper packets, etc.)
- c. Return old textbooks
- d. Pick up 2019-20 Yearbook if wasn't picked up yet
- e. Pick up spirit shirt (optional)
- f. Pick up planner (if purchased)

**Where?** Main entrance to Issaquah High there will be ONE main line with cones to mark places in line and to ensure social distancing. Students will enter ONE LINE and then follow instructions from there.

**When?** During the date and time slot assigned to students by the first few letters of the student's last name. Students need to follow the schedule (BELOW) or come to the make up time slot on 9/17

**Why?** In order to provide materials for students to access quality curriculum in this remote setting AND give them a break from 100% on screen learning – we need to distribute materials to students to take home during remote learning.

**Note:** There is no way for us to distribute materials to 2500 students without doing this during school hours. Luckily, students can access their missed class period asynchronously for full credit.

## Schedule by Last Name – BRING OLD ASB/ID CARD and/or Student ID #
