PATRIOT FIGHT SONG

Come on and fight for Liberty High,
Honor and glory never will die,
Pa-tri-ot pride will shine through,
While cheering the teams on from our school.

Give it your all and fight to the end,
Patriot Spirit we will defend.
Fight, fight, fight for Liberty,
And lead us to VICTORY!!!!

PATRIOT ALMA MATER

For years together, in our school,
Where all our hearts abide;
By graduation torn apart;
We’re scattered far and wide.
Yet, still, when two or three shall meet,
The mem’ries we’ll hold true;
We’ll sing about the Patriots;
In Silver, Green and Blue!

Equitable Conduct Expectations

The Issaquah School District values equity, diversity and inclusion. The district is committed to building and sustaining a welcoming school community. Our district and community are made up of people of different backgrounds, needs and perspectives. Our learning community includes people of varying races, ethnic backgrounds, abilities/disabilities, religions, ages, languages, socioeconomic status, immigration status, sexual orientation, gender expressions or identities.

Student expectations include:

- Respect each individual, even if that person’s identity is different from your own.
- Seek to understand your impact on others while seeking to understand other’s intent.
- Communicate respectfully with others in person, on social media and in any other form.
- Use what you are learning to use good judgment and make ethical and informed decisions.
- Take responsibility for your words and actions.

We all have a responsibility to report behavior that interferes with having an equitable and inclusive learning environment that honors and respects people of all identities. If you become aware of any actions that violate the expectations above, we encourage you to speak up through one or more of the following ways:

- Tell a teacher, staff member or other trusted adult immediately.
- If you are comfortable and safe doing so, speak up in the moment to encourage more equitable and inclusive talk or action, and/or support those being hurt.
- Report it anonymously via Issaquah Tip - Be sure to include details such as names of people, time, location and building.
Welcome Liberty High School Patriots

On behalf of the Liberty High School staff, we would like to welcome you to the 2021-22 school year! Our goal is to provide a safe and caring environment, where ALL students experience a positive learning environment. We strongly encourage you to pursue excellence in your academic studies, become actively engaged in the co-curricular programs that our school has to offer, and treat everyone at Liberty High School with respect and kindness. This handbook includes our policies, procedures, and important information. Please refer to the handbook when questions arise. You may also refer to the Liberty High School Website for updated contact information for staff, teacher websites, event dates, and more.

Student Co/Extra-Curricular Activities

Requirements
Liberty High School provides many opportunities for student involvement in co/extra-curricular programs, including activities, athletics and fine arts. As representatives of our school, students who participate in these programs are held to high expectations and standards. We expect ALL students to demonstrate excellent sportsmanship and be positive role models at ALL times. To be eligible for co/extra-curricular programs, students must purchase an ASB card, maintain passing grades, earn credit in all classes, and maintain a 2.0 GPA to participate in athletics, dance, ASB, drill, and cheer.

ASB Cards
ALL STUDENTS PARTICIPATING IN ANY ACTIVITY SANCTIONED BY THE ASSOCIATED STUDENT BODY MUST PURCHASE AN ASB CARD TO BE ELIGIBLE TO PARTICIPATE IN THOSE ACTIVITIES. Most student activities such as newspaper, athletics, dances, assemblies, homecoming, etc., are financed by the Associated Student Body fund. The greatest single source of revenue for this fund is the sale of Associated Student Body Activity cards. Students can save in many ways with an ASB card. It provides free admittance to all home football, basketball, and wrestling events. The students also can participate in countless other events at a discount, such as away football, basketball, and wrestling events, plays, dances, choir and band performances, etc. The card may be purchased from the Bookkeeper’s Office at any time during the year, but get your card soon to get the most savings possible! The price of the ASB card is $60.00.

ASB and Class Council
The ASB is responsible for planning school-wide activities and supervising ASB funds. It meets every other day during the Leadership for Officers Class and is composed of elected ASB officers, appointed ASB officers, and elected class presidents. Elections and appointments are held in the spring. In order to hold an ASB leadership position, students must clear all fines, purchase an ASB card, have a cumulative 2.0 GPA, no failing grades and agree to the oath of office governed by the constitution.

Class Councils, one for each grade level, are established each year for planning class activities and fundraising. They are comprised of six elected officers and appointed representatives, and meet at least twice per month. Elections for 10th, 11th, and 12th grades are held each spring. Students may not hold more than one major office in student government and/or related activities. Requirements for office follow those for ASB leaders.

Athletics
Liberty High School is a member of the KingCo Conference, the SeaKing District, and the Washington Interscholastic Activities Association. Our teams compete with other teams throughout the conference and state for league, district, and state honors. In order for students to participate in any athletic program, they must:
• Complete the eligibility packet and return it to the Activities/Athletic Office
• Maintain passing grades and earn credit in all classes (enroll in at least 4 classes)
• Maintain a 2.0 semester and cumulative GPA with no F’s
• Clear all fines
• Purchase an ASB card
• Pay the District participation fee
• Return to the coach all previous sports equipment/uniforms issued or pay for them
• Sign an agreement to abide by the Issaquah School District Athletic Code of Conduct

Students not meeting the 2.0 GPA at the end of a final semester term WILL be placed on academic probation for three weeks of contests. Students who meet the 2.0 GPA criteria at the end of a final semester term, but who do not pass all classes, will be put on two weeks probation. Students will also continue to have grade checks every 4.5 weeks and any student who is below a 2.0 GPA or has 1 or more Fs will be placed on probation until their grades improve. During probation, an athlete may practice with the team, but not participate in contests. At the end of the probation period, grades in all classes will be checked. If an athlete is passing all classes at this time with a 2.0 GPA, they will be off probation. If the grades are still deficient, the student will be placed on second two-week probation. If a student completes a third probation without rectifying the situation, they are ineligible for the rest of the season.

Attendance Required for Both Athletics and Activities
A student is expected to be in attendance all class periods of the day of a practice or event in order to participate in activities that afternoon or evening. If an athlete is not in attendance in all of their classes, they cannot participate in practice or an event that afternoon or evening. This expectation applies to all activities, athletics and fine arts events. Participation may be denied for failure to comply with this policy. The only exceptions to this rule are: school related and approved absences (field trips), medical, dental, family emergencies, or legal appointments when appropriate written verification of the appointment from the provider has been submitted to the attendance office upon their return.

Student Athletic/Activity Code
The opportunity to participate in the interscholastic athletic/activity program is a privilege granted to all District students. Participants in this voluntary program are expected to conform to specific conduct standards established by the District,
principals, athletic directors and coaches. All interscholastic activities and events shall be in compliance with the rules and regulations of the Washington Interscholastic Activities Association (WIAA).

A student who is found to be in violation of any athletic/activity rules is subject to removal from the team. Students who have allegedly violated one or more of the athletic/activity conduct rules may appeal a disciplinary action as specified in Procedure 2151P. General conduct expectations and requirements for students participating in athletics/activities are found in Regulation and Procedure 2151 and 2151P and the Issaquah School District Athletic Handbook, copies of which may be obtained at any school or on the district website at www.issaquah.wednet.edu.

General School Policies and Procedures

Academic Progress
Course grades are updated regularly on Canvas/Family Access for each course taken. Please log in to the Canvas system to view attendance and academic progress for your student. For questions on logging in to Family Access, please ask the school registrar.

Assembly Behavior
Assemblies are an integral part of the school curriculum and have an educational value, therefore, attendance at assemblies is required. Students are expected to conduct themselves in a way that demonstrates respect for those speaking or performing as well as those in attendance. Students who misbehave at assemblies may be removed from the assembly by an administrator and subject to discipline.

CEEB/School Code Number
The school code/CEEB number for Liberty High School students in relation to any testing (PSAT, SAT, ACT), college applications scholarships, post-secondary information is 480502.

Check Acceptance Policy
The District has established the following protocol for accepting checks and collecting bad checks: For a check to be an acceptable form of payment, it must include the current, full, accurate name, address and telephone number. If a check is returned for non-payment, the face value may be recovered electronically along with a state allowed recovery fee. In the event a check is returned for non-payment, checks will not be an acceptable form of payment for the rest of the school year.

Computer/Technology Use
The District encourages information dissemination, collaboration, innovation, and experimentation through the ethical use of technology. The District requires its staff and students to adhere strictly to District Regulations and laws governing technological hardware and software. In cases involving any activity prohibited by District Regulation and/or law, rights accorded to persons by the District, such as privacy, do not protect an individual from discipline and/or prosecution. Complete copies of Regulations 2022 and 5253 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

Computers are to be used for academic purposes only. No games, audio files, video files, or other applications may be downloaded or installed without permission of the site administrator or designee. Every student using a District computer is required to have a parent sign a Responsible Use Agreement. This form acknowledges the right of the District to review material stored on its network, as well as the wide range of information accessible through public networks. The Issaquah School District does use monitoring software when students are using a district device (on and off campus), a student email address, and when using district provided programs like OneDrive, Office 365, etc. This means students and parents will be contacted if a student uses any language that references illegal, violent, sexual or self-harm language while using
a district device, email or program. The Responsible Use Agreement also releases the District from liability for any damages due to information gained or obtained through the District network, including access to public networks.

Counseling Center
Students will be assigned to a specific counselor for academic monitoring according to last name. The Counseling Center is open from 7:45 a.m. to 3:15 p.m. daily (8 a.m. – 4 p.m. Wednesdays). Course Change Policy
As personnel, facilities and material resources are assigned based on student’s course selections, it is imperative that students choose courses carefully (including alternatives) during spring registration. Changes to student schedules create an impact on many other courses, and therefore will only be made on a limited basis. Therefore, Administration has established the following schedule change policy to promote academic success for students.

Students are expected to select their classes in a serious and responsible manner, as every effort will be made to ensure that students are scheduled into their pre-selected classes. Not all courses in the Course Catalog are offered annually. Ultimately, the number of students who select that course, teacher availability, facility, and budget constraints determine courses offered during the year. When you choose a course you are committing to completing the course in its entirety to the best of your ability. If an error in course placement has been made, such as misplacement in math or would languages, students should see their counselor immediately for reassignment into the appropriate course.

Student/Parent initiated schedule change requests must be submitted, via the online request form posted on the school’s website. Replacement of approved dropped courses will be at the discretion of the Administration, based on availability of seats in courses being taught during the same class period.
• Until the end of the 5th day of school: Students may submit a change request based upon academic misplacement in the course.
• End of the 5th day of school until day 20 of the semester: Courses dropped will remain on the student’s official transcript with a “W” documenting withdrawal from the course. This course will NOT be included in the GPA calculation. See WAC 392-415-050, -070.
• Day 21 of the semester and on: Courses dropped will remain on the student’s official transcript with an “F.” The course WILL BE included in the GPA calculation.

Valid reason for student/parent initiated schedule changes are strictly limited to:
• Duplicate period error (i.e., two classes during the same period are listed on your schedule)
• Incomplete schedule (i.e., missing class period(s) on your schedule)
• A senior missing a class required for graduation
• Inappropriate academic placement (e.g., you are in Algebra 2, but have not taken Geometry)
• A student placed in an elective class they did not request, either as primary or alternate choice
• A student has a physical/medical reason, documented by a medical professional, that prevents participation in class

Note: if a student/parent initiated schedule change is made, the student is required to complete all assignments from the start of the semester in the new class. Students will be required to work with their new teacher to accomplish this goal. If the student chooses not to complete an assignment, a “0” will be entered in the gradebook for that assignment, therefore negatively affected the grade in the new class.

Teacher initiated schedule changes may be made when a teacher recommends a student be moved from one level to another within the same subject area. The teacher will contact the student’s parent to discuss the change and, if agreed upon, the teacher will contact the student’s administrator to recommend the change. Students will follow their original schedule until they are notified the change has been made.

**Dance Regulation**

To attend any dance, everyone must have a picture ID. A current school ID, passport, or driver’s license will be the only forms of picture ID accepted. You may not show us a picture of your ID on a phone or other device; you must have the ID in your possession.

Students who bring a guest to a school dance are required to have the appropriate dance pass completed, signed and returned to the ASB bookkeeper no later than two days prior to the dance. Dance passes are available in the attendance office. Students may not bring a guest that is 21 or older. If you or your guest is asked to leave a dance, both parties will be required to leave. Your parents will be called to come and pick you up if necessary.

Students may not engage in any type of inappropriate dancing. Examples of this include, but are not limited to:

- Inappropriate touching, fondling, excessive displays of affection
- Removal of shirts, pants or necessary articles of clothing
- Dancing on another’s lap
- Lifting another person’s leg(s) off the ground
- Violent, “mosh pit” style dancing

Dance Chaperones are authorized to ask students to stop if students are found to be dancing inappropriately.

Any student or guest that is dressed inappropriately will be asked to change or be removed from the dance. No refund will be given. For appropriate dress description, see Student Dress Code.

**Distribution of Printed Materials on School Grounds**

Students distributing printed materials through activities or athletics need to work with their coach or advisor regarding distribution of printer materials. For materials outside of activities or athletics, in respect for the rights and beliefs of all of our students, you must submit a request to PeachJar for any community distribution. If you wish to post information on the school’s community bulletin board or other area set aside for this purpose, you must submit a request to PeachJar for approval. Guidelines for distribution of material on school grounds are included in Regulations 2340 and 4320. A complete copy of these policies may be obtained at any school or on the District website at [www.issaquah.wednet.edu](http://www.issaquah.wednet.edu).

**Drug Free Zones**

Schools in the Issaquah School District are protected as drug free zones, as established by the City of Issaquah and King County. Drug free zones provide for possible double penalties for anyone caught trafficking controlled substances within 1,000 feet of a designated school, school bus stop or public park.

**Fines**

School fines are issued when a student fails to pay a class fee in the first three weeks of the semester and/or when a student damages or fails to return any property of the school including, but not limited to, textbooks, items checked out from the library, athletic uniforms, rental instruments, technology support items, etc. All fines are due by the end of the quarter in which they are issued. Once the quarter passes, even if the item is found and submitted, the fine is still due and payable because the school will have purchased a replacement item in order to maintain the inventory for student use. **You are encouraged to pay your fees & fines online. You can access the “Pay Online” button from the School homepage using the same user name as Family Access. The password is the last name of your student.**

Students will be fined for any textbooks not returned by 2:00pm on the last day of school unless they are a senior. Seniors’ fine will be due before graduation – see E news, announcements and posted signs for further details. Fines will not be removed once an item is found, as the school must replace the book to ensure inventory for the next school year.
**Good Neighbor Policy**
The District wishes to maintain positive relationships with our neighbors. Students are to avoid trespassing on neighbors’ property, littering and loitering in the street near their homes. Students with off-campus passes who leave during the school day are to avoid congregating in the neighborhood streets bordering the school.

**Homework**
Homework, as an extension of the classroom, must be planned and organized, be purposeful to the students, and evaluated and returned to students in a timely manner. The purpose of homework assignments, the basis for evaluating the work performed and the guidelines and/or rules should be made clear to the student at the time of the assignment. Students should talk to their classroom teachers with any questions about assignments or grades for a course. A complete copy of Regulation 2422 and related Regulations are available on the District’s website.

**Identification Cards**
All students are provided with a student identification card, featuring their name, grade and a photo. Students are expected to carry their card at all times during the school day.

**Inspection, Search and Seizure**
Students are entitled to the guarantees of the Fourth Amendment and shall be secure in their persons, papers, and effects against unreasonable searches and seizures. However, school officials have the responsibility of maintaining a safe environment and are empowered to conduct a reasonable search of a student, of his/her personal property, and of school property when there is reasonable and individualized cause or grounds for suspecting or believing that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. A search is required when there are reasonable grounds to suspect a student has a firearm on school grounds, school transportation or at school events. Any search conducted must comply with applicable laws. School property shall remain under the control of school officials, and shall be subject to search.
**Searches of Students and Personal Property**

Any search of a student conducted by a District employee must be reasonably related to the discovery of contraband or other evidence based upon an individualized suspicion of the student's violation of the law or school rules.

The term “contraband” means items, materials, or substances the possession of which is prohibited by law or District Regulation, including but not limited to, controlled substances, alcoholic beverages, tobacco products, nicotine delivering device, or any object that can reasonably be considered a firearm or a dangerous weapon.

**Automobile Searches**

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct without notice routine patrols of student parking lots and inspections of the exteriors and visible interiors of student automobiles on school property. The interiors of student vehicles may be searched whenever a school official has reasonable cause or grounds for suspecting or believing that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. School officials may call and/or consult with local law enforcement officials in appropriate circumstances, such as when criminal activity is suspected.

**Locker Searches**

All student lockers may be searched at any time without prior notice and without reasonable suspicion that the search will yield evidence of any particular student's violation of the law or school rules. If the school official conducting such a search develops a reasonable suspicion that any container inside the locker, including but not limited to a purse, backpack, gym bag, or an article of clothing, contains evidence of a student's violation of the law or school rules, the container may be searched pursuant to the District’s procedures governing personal searches.

Additional information regarding student privacy and searches may be found in Regulation 3230 and Procedure 3230P.

**Library**

All library information including rules and regulations can be found on the Liberty High School Library Link.

**Lunch Accounts**

**Charging a Meal**

Students will be assigned a lunch account that can be used to purchase standard program meals from the school kitchen.

Applications for meal assistance are available at https://www.issaquah.wednet.edu/district/departments/operations/foodservice or by contacting the Food Service Office at 425-837-5060. They are also available in the front office of each school building.

**Balance Notification**

Food Services partners with Myschoolbucks.com, a service that allows the use of credit cards to make payments for a student’s lunch account. There is a $2.49 fee per credit card transaction charged by Myschoolbucks.com, however, the use of their website to monitor a student’s lunch balance is free. It is also free for users of Myschoolbucks.com to set up e-mail notifications when their student’s lunch balance reaches a specified dollar amount. Families are encouraged to utilize this free service in order to receive automated reminders when their student’s lunch balance is low. Log on instructions and a link to Myschoolbucks.com can be found on the District website at https://www.issaquah.wednet.edu/family/MySchoolBucks.

Food Services also has developed an automated balance notification service that will notify parents via e-mail when the student’s lunch balance is low and again when the lunch balance is in arrears. In addition to these e-mail balance
notifications, each school kitchen will send negative balance letters once per week. The negative balance notification e-mails and letters will continue to be sent weekly until the unpaid meal charges have been resolved.

Students will be given access to a standard program meal regardless of lunch account balance. Charges to the student’s lunch account will continue to accrue until reconciled.

A student’s lunch account must have sufficient funds to purchase a la carte items (chips, cookies, vendor pizza, bottled beverages, etc.).

**Medication Administration at School**

Washington State Law and Issaquah School District Policy require that schools have written authorization from a licensed healthcare provider and parent on file yearly when a child needs to take medication during the school day. Students are permitted to carry medication and self-administer at the high school level when the physician and the parent have requested self-administration in writing and the request has been approved by the school nurse. High school students may be allowed to carry and self-administer over-the-counter medication when authorized by the parent and school nurse. All medication must be in the original pharmacy labeled container. Students who carry and self-administer medication must carry only one daily dose in an original pharmacy container. Please note students are not allowed to carry opioid reversal medications such as Narcan (naloxone) at any time on school grounds or at school events.

Additional information and requirements related to the administration of medication at school may be found in District Regulations and Procedures 3416 and 3416P (Medication at School), 3417 and 3417P (Catheterization), 3419 and 3419P (Self-Administration of Asthma and Anaphylaxis Medications), 3424 and 3424P (Opioid Related Overdose Reversal), and 3420 and 3420P (Anaphylaxis).

**Senior Academic Recognition**

District high schools no longer use a ranking system for academic recognition of the senior class at graduation. Schools have moved to a University Latin Honors system. In this system, students are recognized for their academic achievements in three different levels: Cum Laude (with honors), Magna Cum Laude (with high honors), and Summa Cum Laude (with highest honors). An academic speaker will be chosen by the high school staff for each graduation ceremony based on applicants from the Summa Cum Laude level of the Latin Honors system.

**Student Dress Code**

Appropriate clothing in a school or at school events contributes to a positive and quality environment at school, thus student clothing must be appropriate for an academic atmosphere. Students dress and grooming may not:

- Disrupt, interfere with, disturb, or detract from school activities.
- Create a hazard to the student’s safety or to the safety of others. For example, students are required to wear appropriate footwear at all times.
- Promote by printed word or symbol the use of illegal substances or other prohibited activities, including but not limited to intimidation, harassment, sexual innuendo, vulgarity, and obscenities.

If school officials reasonably believe a student’s dress or grooming is objectionable under these provisions, the principal or designee will ask the student to make appropriate corrections. If the student refuses, the student is subject to corrective action. See District Regulation 3224.
**Student Parking**
For increased security and protection, ALL students who drive to school must register their vehicles. Parking rules and regulations are available on the school website. Parking and driving are considered privileges. All parking and driving regulations are strictly enforced. Violations may lead to suspension of privileges, fine/ticket, towing of vehicle, corrective action, and/or police notification. Vehicles are not to be used for storage during the school day. Students who are found in the parking lot, loitering in their vehicles during the school day, or littering are subject to corrective action. Security cameras are in use. Speed limit of 10 mph is strictly enforced.

If students desire parking privileges, they agree not to allow contraband in their automobiles. They agree that their vehicles are subject to search by school officials if the officials develop individualized suspicion that student(s) are or have been violating a law or student conduct rule. Students and their families understand the parking lots will be subject to periodic patrols by drug-sniffing dogs at times when the students are not in the vicinity of the dogs. Students agree that if a drug-sniffing dog “hits” on their vehicle while it is parked on school premises, school officials will have the authority to search the vehicle. If students refuse to allow searches of vehicles by school officials in such circumstances, students will lose their parking privileges and must understand that the Issaquah School District will presume that the dogs have accurately discovered contra-band in determining whether student corrective action is warranted. See Board Regulation 3230.

**Student Rights and Responsibilities**
Students are entitled to the rights of all people as set forth in the Constitution and laws of the United States; the Constitution and laws of the State of Washington; the law regarding equal education opportunity; First Amendment rights to freedom of press, speech, peaceable assembly and petition; and the right to be secure in their pursuit of an education while in the custody of the District. These rights are subject to the District’s authority to make reasonable rules and regulations to maintain the educational process.

**Students with Special Health Care Needs**
Students with life-threatening conditions such as severe bee sting, severe food allergies, severe asthma, diabetes, seizures, etc., are required to have a medication or treatment order and nursing care plan in place before they start school each year. If a medication or treatment order is not provided, the chief administrator of the school is required to exclude the child until such order has been provided. This requirement applies to students with a life-threatening condition who are new to the district and students who are already attending the school. Contact your school nurse to discuss your child’s healthcare needs at school.

For additional information and requirements related to life-threatening health conditions, please see Regulation 3413 and Procedure 3413P.

**Transportation**
The mission of the District and bus drivers is to safely transport students to and from school. A complete copy of Regulation 6606, setting forth the specific rules of conduct on buses, may be obtained at any school or from the Transportation Department.

The District uses random placement of video cameras on school buses to maintain good order and increase safety. The video tapes may be used to identify students who violate the rules of conduct for buses and for decisions based on those violations.

**Visitors**
During the school day, only parents, adult relatives, volunteers and invited guests are allowed to visit District schools. Parents, adult relatives, volunteers and invited guests will continue to have access to all District schools before and after the school day in order to confer with and directly assist teachers, staff and students, provide support for District programs and observe or participate in school sponsored activities.
Parents, adult relatives, volunteers and invited guests visiting a school during the school day must register at the school’s office upon arrival, must comply with any safety procedures and directives indicated by the principal, and must not engage in any activity or behavior which is disruptive to the educational process. Additional information and requirement related to visitors at school are in Regulation 4311 and Procedure 4311P.

**Attendance Policies and Procedures**

**Attendance**
Washington state law requires that all students between 8 and 18 years of age attend school full-time, unless the student is excused from full-time attendance or meets certain exceptions. Parents are expected to ensure regular school attendance by their students. As provided in Regulation 3122, regular school attendance is necessary for mastery of the educational program provided to students. Daily attendance and active participation in each class are critical parts of the learning process. Excessive absenteeism, whether excused or unexcused, has a negative impact on academic achievement and graduation and can increase drop-out rates.

Students are expected to attend all classes each day. Teachers shall keep an accurate record of absences and tardiness. Students will be marked absent when they have an absence for any full class period. As used in this handbook, an “absence” means a student is (a) not physically present on school grounds, and (b) not participating in the following activities at an approved location: instruction, any instruction-related activity, or any other district or school approved activity that is regulated by an instructional/academic accountability system, such as participation in District-sponsored sports. A “full-day absence” is when a student is marked absent for fifty-percent or more of their scheduled day. A “tardy” is non-attendance for less than a full class period.

Parents will be informed when their student(s) misses one or more periods. Students participating in a co/extra-curricular activity must be in attendance in all periods, as assigned, to be eligible for participation in the activity or event.

**Excused absences** are absences due to:

- Illness, health condition or medical appointment (including, but not limited to, medical, counseling, dental, optometry, pregnancy, and in-patient or out-patient treatment for chemical dependency or mental health) for the student or person for whom the student is legally responsible;
- Family emergency, including, but not limited to, a death or illness in the family;
- Religious/cultural purpose including observance of a religious/cultural holiday or participation in religious or cultural instruction;
- Court, judicial proceeding or serving on a jury;
- Post-secondary, technical school or apprenticeship program visitation, or scholarship interview;
- State-recognized search and rescue activities consistent with RCW 28A.225.055;
- Absence directly related to the student’s homeless or foster care/dependency status;
- Absences related to deployment activities of a parent or legal guardian who is an active duty member consistent with RCW 705.010;
• Absences due to suspensions, expulsions, or emergency expulsions imposed pursuant to Chapter 392-400 WAC if the student is not receiving educational services and is not enrolled in a qualifying “course of study” activities as defined in WAC 392-121-107;

• Absences due to student safety concerns, including absences related to threats, assault, or bullying;

• Absences due to a student’s migrant status; and

• An approved activity that is consistent with District policy and is mutually agreed upon by the principal (or designee) and a parent, guardian, or emancipated youth.

A school principal or designee has the authority to determine if any absence meets the above criteria for an excused absence. The principal or designee may only grant permission for a student’s absence providing such absence does not adversely affect the student’s educational process.

**Verification:** Parents are expected to notify the school office by 8:00 AM of the day following the absence or send a signed note of explanation with the student upon the student’s return to school. Adult students or emancipated students must notify the school office of their absences with a signed note of explanation. If attendance is taken electronically, either for a course conducted online or for students physically within the District, an absence defaults to unexcused until such time as an excused absence may be verified by a parent or emancipated or adult student. See Procedure 3122P for additional information regarding the procedures governing excused absences.

**Unexcused Absences** are any absence from school that does not meet one of the criteria above for an excused absence.

• Each full-day unexcused absence shall be followed by a warning letter or telephone call to the parent.

• At some point after the second full-day unexcused absence and before the seventh full-day unexcused absence, the District will take data-informed steps to eliminate or reduce the student’s absences as specifically set forth in RCW 28A.225.020(1)(c), including all subsections.

• After three full-day unexcused absences within any month, a conference will be scheduled with the parent, student, and principal/designee. If the parent does not attend the conference, the conference may be conducted with the student and principal/designee. If the parent does not attend, they will be notified of the steps taken to eliminate or reduce the student’s absences.

• Not later than the student’s seventh full-day unexcused absence within any month, the District will enter into an agreement with the student and parents that establishes school attendance requirements, refer the student to a community engagement board as defined in RCW 28A.225.025, or file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010.

• After the student’s seventh full-day unexcused absence within any month and not later than the student’s fifteenth full-day unexcused absence during the current school year, the District shall file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010 by the parent, student, or parent and student.

Generally, a student’s grade shall not be affected if no graded activity is missed during an unexcused absence. However, any work due or assigned during an unexcused absence cannot be made up for credit.
**Attendance Procedures**

- Students who become ill at school must check out with the attendance office even if the health attendant speaks with a parent. Failure to do so could result in an unexcused absence and disciplinary action, however, a student may not be suspended or expelled for absences or tardies.

- Students who leave class during the school day must be properly checked out through the Attendance Office (see 3124 and 3124P). An absence that results from a student leaving class during the school day will be deemed excused or unexcused based on the criteria set forth in Regulation 3122. Leaving class without prior approval and without properly signing out may be cause for disciplinary action.

- Procedures outlined in the BECCA Bill will be followed as unexcused absences occur. See Procedure 3122P.

- Disciplinary action may be assessed for truancy, however, a student may not be suspended or expelled for absences or tardies.

- Students are encouraged to contact their teachers via email and Canvas to get make up work. Arrangements can be made with teachers to pick up work through the attendance office. Homework/make up work will not be gathered for students missing school because of personal choice or truancy.

- Students are expected to take care of attendance business during their own time such as before school, during break, at lunch or after school.

**Student Records and Information**

**Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act affords parents and students over 18 years of age certain rights with respect to the student’s education records, which are:

- The right to inspect and review the student’s educational records within 45 days of the day the District receives a request. Parents or eligible students should submit to the principal or appropriate school official a written request, identifying the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- The right to request an amendment of the student’s education record(s) that the parent or eligible student believes are inaccurate, misleading, or in violation of the student’s rights of privacy. Parents or eligible students may submit a written request to the principal, identifying the part of the education record(s) they wish to have amended, and the reasons why they believe the record is inaccurate, misleading, or in violation of the student’s rights of privacy. If the District decides not to amend the record as requested, the parent or eligible student will be notified of the decision, of his/her right to a hearing under 34 C.F.R. § 99.21.

- The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent FERPA authorizes disclosure without consent.

**Students and parents have the right to file a complaint about an alleged failure by the District to comply with the requirements of FERPA by contacting the U.S. Department of Education at the following address:**

Family Regulation Compliance Office  
U.S. Dept. of Education  
400 Maryland Ave. S.W.

Release of Student Information
The District cannot disclose personally identifiable student information or education records without the written consent of a parent subject to the following exceptions:

• The District may disclose student information and education records without parent consent to school officials with legitimate educational interests. The term “school officials” includes District administrators, supervisors, teachers, counselors, information systems specialists, support or clerical staff members, school board members, or school resource officers. It may also include certain contractors, consultants, service providers, or volunteers, including, but not limited to, attorneys, auditors, medical consultants, service providers, or therapists. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his/her professional responsibility;

• The District may disclose education records to another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student has already enrolled, as long as the disclosure is related to the student’s enrollment or transfer;

• The District may disclose student information or records to certain organizations conducting studies for, or on behalf of, the District;

• The District may release student information or records to comply with a judicial order or lawfully issued subpoena;

• The District may disclose student information or records in connection with a health or safety emergency, as defined by FERPA;

• The District may disclose directory information, as provided below; and

• The District may release student information and education records as otherwise permitted or required by law.

Directory Information
The District may disclose information regarding students that the District has designated as “directory information.” Directory information is defined as the student’s name, photograph, address, telephone number, date and place of birth, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, diplomas and awards received, and the most recent previously school attended.

The residential addresses of participants in the state Address Confidentiality Program will not be available for release as directory information. Social Security numbers, student identification numbers (with authentication factors such as a secret password or personal identification number) or other personally identifiable information are also not considered directory information.

Directory information may be used for purposes such as school related fund-raising, publication of a student directory, parent organization mailing lists, school yearbooks and newspapers, commencement programs and publication of honor rolls, and other school information about students in District publications or public media. Information will not be released for commercial purposes.

Parents have the right to refuse to allow the District to designate any or all of the above types of information designated as directory information for their child. To do so, parents must submit a written request to their child’s school by September 15 that identifies the type(s) of information the parent does not want designated as directory information for their child. If the school does not receive a written request by that date, school staff will assume that there is no objection to the information being designed as directory information for their child. Additional information regarding student records may be found in Regulation 3231 and Procedure 3231P.
**Student Conduct and Discipline**

**Student Conduct Expectations**
Students, parents, and school personnel are jointly responsible for expecting and demonstrating behavior that ensures a safe, orderly, and healthy environment for all persons at all times. Students may not behave in a manner that is disruptive to the educational process or that is unsafe for other students, staff, and/or self. The Student Conduct Expectations also pertain to students involved in Running Start and WaNIC during lunch and traveling between schools. At all times, this handbook will be read in a manner consistent with federal statutes and regulations, state statutes, common law, and rules promulgated by the Washington Office of the Superintendent of Public Instruction.

This handbook contains a summary of the District’s general discipline policies. For a complete copy of the Regulation and Procedure related to student discipline, please see Regulation and Procedure 3241 and 3241P available on the District’s website: www.issaquah.wednet.edu/district/regulations.

**District Authority**
All students will obey the written rules and regulations established for the orderly operations of the District and the reasonable requests, instructions, and directives of District personnel. The term "District personnel" includes all adults, including contractors and volunteers, authorized to supervise student activities. Failure to do so will be cause for disciplinary action. All students will submit to reasonable discipline by the District and its representatives for violations of regulations and rules.

Students who involve themselves by engaging in, attempting to engage in, and/or conspiring to engage in acts that have a detrimental effect on the maintenance and operation of the school or the District, criminal acts, and/or violations of school rules and regulations, may be subject to discipline by the school and prosecution under the law. The rules will be enforced by school officials:

- On school grounds immediately before, during, and immediately after school hours;
- On school grounds at any time when a school is being used by any school group(s) or for a school activity;
- Off school grounds at a school activity, function or event;
- Off school grounds if the actions of the student materially or substantially affects or interferes with the educational process or otherwise has a sufficient nexus to the school; and
- In District-provided transportation, or any other place while under the authority of District personnel.

**Definitions**
- **Behavioral violation**: A student’s behavior that violates the District’s discipline policy.
- **Campus**: All areas of any District school (including parking areas and stadium complexes/fields).
- **Classroom exclusion**: The exclusion of a student from a classroom or instructional or activity area for behavior violations. Classroom exclusion does not include actions that result in missed instruction for a brief duration when: (a) a teacher or other school personnel attempts other forms of discipline to support the student in meeting behavioral expectations; and (b) the student remains under the supervision of the teacher or other school personnel during the brief exclusion.
- **Detention**: When a student is required to report to a designated area of the school for a specified period of time. Detention may be served before school, after school, or during lunch and includes monitored study hall.
- **Discipline**: Any action taken by the District in response to behavioral violations.
• **Disruption of the educational process**: Interrupting classwork, creating disorder, or invading the rights of a student or group of students.

• **Emergency Expulsion**: The removal of a student from school because the student’s presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process. An emergency expulsion must end or be converted to another form of discipline within ten (10) school days from the start of the emergency expulsion.

  • For purposes of administering an emergency expulsion, the term immediate and continuing threat of material and substantial disruption of the educational process means: (1) The student’s behavior results in an extreme disruption of the educational process that creates a substantial barrier to learning for other students across the school day; and (2) School personnel have exhausted reasonable attempts at administering other forms of discipline to support the student in meeting behavioral expectations.

• **Expulsion**: A denial of admission to the student’s current school placement in response to a behavioral violation. An expulsion may not be for an indefinite period of time and may not exceed the length of an academic term, unless the District’s Superintendent grants a petition for extension of the expulsion. An expulsion may only be administered: (1) for behavioral violations under RCW 28A.600.015(6)(a)-(d); and (2) after the District has determined that if the student returned to school before completing an expulsion, the student would pose an imminent danger to students or school personnel.

• **Length of an academic term**: The total number of school days in a single semester, as defined by the school board.

• **Other forms of discipline**: Actions used in response to behavioral violations, other than classroom exclusion, suspension, expulsion, or emergency expulsion.

• **Saturday School**: When a student is required to report to school on a Saturday from 8am to 12pm for monitored study hall or other activities, including campus cleanup.

• **School Business Day**: Any calendar day, except Saturdays, Sundays, or any federal, state, or school holiday, when the office of the District’s Superintendent is open to the public for business.

• **School Day**: Any day or partial that students are in attendance at school for instructional purposes.

• **School District Property**: All property of Issaquah School District, including any District school’s campus, parking areas, stadium complex, and other District property.

• **Suspension**: The denial of attendance in response to a behavioral violation from any subject or class, or from any full schedule of subjects or classes, but not including classroom exclusions, expulsions, or emergency expulsions.

  • **In-School Suspension**: A suspension in which a student is excluded from the student’s regular educational setting but remains in the student’s current school placement for up to ten (10) consecutive school days.

  • **Short-Term Suspension**: A suspension in which the student is excluded from school for up to ten (10) consecutive school days.

  • **Long-Term Suspension**: A suspension in which a student is excluded from school for more than ten (10) consecutive school days. A long-term suspension may not exceed the length of an academic term and may not be administered beyond the school year in which the behavioral violation occurred. A long-term suspension may only be administered: (1) for behavioral violations listed in the section titled “Suspensions
and Expulsions” below; and (2) after the District has determined that if the student returned to school before completing a long-term suspension, the student would pose an imminent danger to students or school personnel or an imminent threat of material and substantial disruption of the educational process.

Classroom Exclusions

Students may be excluded from their classroom or instructional or activity area in a manner consistent with Procedure 3241P for behavioral violations that disrupt the educational process. At least one other form of discipline to support the student in meeting behavioral expectations will be attempted prior to a classroom exclusion, unless the student’s presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process.

Suspension and Expulsions

Short-term or in-school suspensions may be imposed as appropriate for the behavioral violations identified in this handbook and in the District’s regulations and procedures. Before administering a short-term or in-school suspension, one or more other forms of discipline will be attempted to support the student in meeting behavioral expectations.

Long-term suspension may only be imposed if: (1) a student commits any of the following behavioral violations; and (2) the school has determined that the student would pose an imminent danger to students or school personnel OR would pose an imminent threat of material and substantial disruption of the educational process if the student returned to school before completing a long-term suspension.

Before administering a long-term suspension or expulsion, the District will consider one or more other forms of discipline to support the student in meeting behavioral expectations.

Expulsion may only be imposed if: (1) a student commits any of the following behavioral violations; and (2) the school has determined that the student would pose an imminent danger to students or school personnel if the student returned to school before completing an expulsion.

Before administering any suspension or expulsion, the student’s individual circumstances and the nature and circumstances of the behavioral violation will be considered to determine whether the suspension or expulsion, and the length of the suspension or expulsion, is warranted.
In the case of classroom exclusions, suspensions, or expulsions, parents will be notified. Depending on the circumstances of the infraction and the discipline imposed, a suspension/expulsion may begin immediately during the school day, after school, or the following morning. In order to minimize absences from school and depending upon the infraction, in-school suspension/Saturday School may be used as an alternative to out of school suspension. In addition, any student who is participating in or will be participating in school athletics, ASB, cheer, dance, and/or drill is subject to sanctions for violation of the drug and alcohol Regulation as outlined in the Student Athletic Handbook.

Any student or parent who is aggrieved by the imposition of discipline may utilize the procedures in Procedure 3241P for the purpose of grieving the discipline.

Law enforcement agencies shall be contacted for violations of assault; possession, use, or transmitting alcohol or other drugs not prescribed for the individual; arson; possession of a dangerous weapon or weapon facsimile; reporting false alarms; trespassing; abuse and theft as appropriate; and of other criminal activities.

**Academic Integrity/Honesty Regulation**

Academic integrity speaks to a student’s commitment and responsibility to pursue scholarship honestly. It respects the concept that learning is the primary purpose of education, secondary to grades and credits. Academic dishonesty is defined as any action or attended action that may result in creating an unfair academic advantage for oneself or an unfair academic advantage or disadvantage for any other student. A student shall not attempt to earn credit or receive a grade for coursework (tests, quizzes, assignments, projects, essays) in a manner other than defined as acceptable by each instructor.

Academic integrity violations are tracked throughout a student’s high school career (grades 9-12). Academic integrity violations include, but are not limited to:

- Plagiarizing or submitting any part of another person’s work as representing one’s own scholarship.
- Distribution/sharing of class assignments or test information in either written or verbal form to another student without teacher permission.
- Unauthorized Collaboration – working with others without the specific permission of the instructor on assignments that will be submitted for an individual’s grade. This applies to in-class or take-home assignments/homework, projects, tests, or labs.
- Collusion – supporting the lack of integrity/honesty by another student, as in allowing one’s work to be copied or submitted for assessment by another. Collusion also includes the use or sharing of identical or highly similar passages of one’s own work, or the work of another, unless specifically authorized by the teacher.
- Cheating – using notes or other materials without a teacher’s permission on tests and assignments.
- Technology Malpractice – any misuse or abuse of private or public technology in relation to grades or in acquiring an academic advantage, including infractions of the school technology user agreement, language translation websites, cell phone messaging or picture transmission.

Students will be required to sign an Academic Integrity/Honesty pledge that acknowledges understanding and commitment to honor this Regulation.

**Consequences for Violation of Academic Integrity/Honesty**

The degree or level of violation of the academic integrity/honesty, including specific circumstances, will be weighed in each case. Depending upon the severity of the violation, consequences may be accelerated even for a first time offense.

Standard Consequence for 1st violation is:

- Failing grade for the assignment/ test/project
- Parent contact
- Academic honesty education

Standard Consequence for 2nd violation ranges from:

**Harassment, Intimidation, Bullying and Non-Discrimination**

**Equitable Conduct Expectations**

The Issaquah School District values equity, diversity and inclusion. The District is committed to building and sustaining a welcoming school community. Our District and community are made up of people of different backgrounds, needs and perspectives. Our learning community includes people of varying races, ethnic backgrounds, abilities/disabilities, religions, ages, languages, socioeconomic status, immigration status, sexual orientation, gender expressions or identities.

Student expectations include:

- Respect each individual, even if that person’s identity is different from your own.
- Seek to understand your impact on others while seeking to understand other’s intent.
- Communicate respectfully with others in person, on social media and in any other form.
- Use what you are learning to use good judgment and make ethical and informed decisions.
- Take responsibility for your words and actions.

We all have a responsibility to report behavior that interferes with having an equitable and inclusive learning environment that honors and respects people of all identities. If you become aware of any actions that violate the expectations above, we encourage you to speak up through one or more of the following ways:

- Tell a teacher, staff member or other trusted adult immediately.
- If you are comfortable and safe doing so, speak up in the moment to encourage more equitable and inclusive talk or action, and/or support those being hurt.
- Report it anonymously via Issaquah Tip: [https://www.issaquah.wednet.edu/family/TAI](https://www.issaquah.wednet.edu/family/TAI). Be sure to include details such as names of people, time, location and building.

**Safe and Positive Environment**

The Issaquah School District believes that a safe, civil environment is essential to high student and staff achievement, to the free exchange of ideas central to a quality educational process, and to the development of youth as thoughtful participants in our democracy. Conversely, uncivil conduct, like other forms of disruptive behavior, interferes with a student’s ability to learn and a school’s ability to educate its students.

The Issaquah School District strives to maintain a learning environment where all students, staff and members of our community can be free from intimidation and harassment. One way we foster such an environment is by informing students and employees—as well as parents—of their personal rights. We explain proper behavior in schools and what kinds of behavior are inappropriate. The District’s Regulations on harassment—sexual and otherwise—support our high expectations for proper behavior. Please take a moment to review the summary of Regulation 3205 and 3207, which protect students.
Examples of harassing behaviors include, without limitation: invitations for dates that do not stop when the response is negative; uninvited and deliberate touching or feigned accidental brushing against a person’s body; feigned friendly pats, squeezes, pinches, or other forms of physical contact; standing too close, cornering or stalking a person; using derogatory sexual terms for a person; uninvited letters, phone calls, or gifts; teasing with sexually explicit or suggestive materials in the work place, including “pin-ups” or sexually degrading cartoons posted in the school site; uninvited sexually suggestive looks, constant leering or ogling, or gestures; uninvited sexual teasing, remarks, or questions regarding an individual’s personal life, which have no relationship to the school environment; and demands for sexual favors in return for grades or other employment or education achievement; disparaging remarks, hazing, pranks, or other intimidating behavior directed toward an individual because of the individual’s race, color, sex, creed, religion, sexual orientation, ancestry, national origin, physical/personality traits or style, physical, sensory, or mental disabilities, or any other category protected by law.

If an individual experiences harassment, an informal or a formal complaint process is available. If the complaint is not resolved satisfactorily, there is an appeal procedure.

**Prohibition of Harassment, Intimidation, and Bullying**

If a student feels that they are being harassed, intimidated, or bullied for any reason including because of race, creed, color, national origin, ancestry, gender, sexual orientation, or disability, the student should immediately report such incidents to a teacher, counselor, or building administrator. A complete copy of Regulation 3207 may be obtained at any school or on the District website at www.issaquah.wednet.edu.

“Harassment, intimidation or bullying” is defined as an intentional electronic, written, verbal or physical act that:

- Physically harms a student or damages the student’s property;
- Has the effect of substantially interfering with a student’s education (to be determined by considering a targeted student’s grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators);
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Conduct that is “substantially interfering with a student’s education” will be determined by considering a targeted student’s grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators.

Conduct that may rise to the level of harassment, intimidation and bullying may take many forms, including, but not limited to: slurs, rumors, jokes, innuendoes, demeaning comments, graffiti, pictures, photographs, drawings, cartoons, pranks, ostracism, physical attacks or threats, gestures, or acts relating to an individual or group whether electronic, written, oral, or physically transmitted messages or images. There is no requirement that the targeted student actually possess the characteristic that is the basis for the harassment, intimidation, or bullying.

**Non-discrimination**

The District will provide equal educational opportunity and treatment for all students in all aspects of the academic and activities program without discrimination based on race, religion, creed, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation, gender expression or identity, marital status, the presence of any sensory, mental or physical disability, or the use of a trained dog guide or service animal by a person with a disability. The District will provide equal access to school facilities to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society.
Sexual Harassment

Students and staff are protected against sexual harassment in any school program or activity, including on the school campus, on District-provided transportation, or off-campus during a school-sponsored activity. See Regulation 3205 and Procedure 3205P.

Sexual harassment is unwelcome behavior or communication that is sexual in nature. Sexual harassment can occur adult-to-student, student-to-student or can be carried out by a group of students or adults. Sexual harassment will be investigated by the District even if the alleged harasser is not a part of the school staff or student body. The District prohibits sexual harassment of students by other students, employees, volunteers, or third parties involved in District activities or engaged in the authorized use of District facilities.

The term “sexual harassment” includes:

- Acts of sexual violence;
- Unwelcome sexual or gender-directed conduct or communication that interferes with an individual’s educational performance or creates an intimidating, hostile, or offensive environment;
- Unwelcome sexual advances;
- Unwelcome requests for sexual favors;
- Sexual demands when submission is a stated or implied condition of obtaining an educational benefit; and
- Sexual demands where submission or rejection is a factor in an academic, or other school-related decision affecting an individual.

A “hostile environment” has been created for a student when sexual harassment is sufficiently serious to interfere with or limit the student’s ability to participate in or benefit from the school’s program. The more severe the conduct, the less need there is to demonstrate a repetitive series of incidents.
