Summer Bingo Challenge

Directions: Challenge yourself and your family to complete each square before the end of Summer!

<p>Tell each person in your family one thing that you appreciate about them.</p>	<p>Write your own original song, poem, or story and perform it for others.</p>	<p>Mix dish soap and water. Make a bubble hoop. Make the biggest bubble you can</p>	<p>Create a map of your neighborhood, adding a key to show important features.</p>	<p>Fill a measuring cup with various items (grapes, pebbles, Legos, etc.) How many of each item fill 1 cup? Keep track of your investigation in an organized way. What do you notice?</p>
<p>Visit the district's Visual Art Page. Try one of the video lessons. Start an art journal. Add your artwork, favorite pictures, and anything beautiful/creative.</p>	<p>Explore the night sky by visiting: www.spaceplace.nasa.gov. Then, observe for yourself!</p>	<p>Create a space for yourself that you can go to when you feel upset. Add objects that help you (photos, stuffed animal, putty, books, coloring sheets, etc.).</p>	<p>Write a letter to a family member. Ask 3 questions about his/her life. Tell them about you. Then ask them to write back to you!</p>	<p>Patterns are all around us in nature. How many examples can you find?</p>
<p>Visit your local history museum, or another museum of your choice.</p>	<p>Find 5 things inside or outside and put them in order them from longest to shortest. What other ways can you compare them?</p>	<p>Family Activity Play a game, go for a walk, cook, build, create, or go on an adventure together.</p>	<p>Try one of our walking scavenger hunts of the public art in downtown artwork! Scavenger Hunt # 1 Scavenger Hunt # 2</p>	<p>Make a list of things that you love about yourself. Put it where you will see it every day.</p>
<p>Write numbers on a beach ball. Toss the ball and add or multiply the numbers that your thumbs are touching.</p>	<p>Dig up a wildflower. Make a diagram of its parts. Why are they shaped that way?</p>	<p>Draw a quick sketch of a person or place that means a lot to you. Write about why that person or place is meaningful.</p>	<p>Try coding your own dance party on www.code.org to celebrate summer!</p>	<p>Explore a country of your choice on Google Earth.</p>
<p>Read outside! Read to your pet! Read to a family member! Read to a stuffed animal!</p>	<p>Make a list of all of the feeling words you can think of. Ask your family to help you add to your list. Post it for everyone to see.</p>	<p>Look at the tags of your clothing, food, and personal items to see where they are from. Chart or map the locations.</p>	<p>Watch the Perseids Meteor Shower in August (peaking on 8/12). What do you notice? What do you wonder?</p>	<p>Keep an eye out for all the places you see numbers. What is the largest number you've seen? Where was it?</p>
