## **Newcastle Elementary Site Council**

### **January 11, 2019**

Absent Members: Laura Korsgaard  
Community Members in Attendance: Priscilla Hooke, Edith Delgado

#### I LAP Program Review

Priscilla Hooke presented a summary of the LAP program at Newcastle, explaining how students qualify (using rank order), the services provided, and steps for exiting the program. The LAP program at Newcastle currently provides Literacy support for students demonstrating need for additional support.

#### II Introduction to ELL

The ELL program at Newcastle serves students for whom English is a second language. The program helps to provide English Language support for those students as they are immersed and integrated into the English speaking community and classrooms at Newcastle. Newcastle currently has two ELL teachers providing services to students, Edith Delgado and Samia Bel Abbes.

#### III Review of Newcastle’s School Improvement Plan (SIP) for the 2018-19 School Year

Dr. Wood reviewed Newcastle’s current SIP plan, which focuses on Math growth for students. In addition to supporting Newcastle’s general population, the current SIP specifically seeks out strategies to support those students being served within the Special Education program as well.

#### IV Campus Fencing Update

The campus fencing project is now complete, and the campus is completely enclosed for student security. There are three gates that are being utilized for students to enter/exit the campus before and after school. Once the after school care program completes each evening at 7:00, the campus gates will be opened to allow community access to the playground.
