Newcastle Elementary Site Council May 10, 2019

Absent Members:

Community Members in Attendance:

I Levy Development Committee Community Representative

The Issaquah School District is seeking representatives from each school community to serve as members of the upcoming Levy Development Committee. The representative does not necessarily need to have students in our school.

II Replacement Representatives for Site Council 2019-2020

We will be seeking two new members for our Site Council for next year. The positions are both for two years, and applications are available in the Newcastle Elementary office.

III Staffing Update

Newcastle will be losing one section of kindergarten and fourth grade, but gaining one section of third grade for the 2019-20 school year. This means that we will have one less classroom section than we currently have on campus (down to 31 from our current 32 sections).

IV Changes in Math Support

Due to funding changes, it appears that the Issaquah School Foundation will only be funding the before/after school math program at Title Schools in Issaquah. Because of this, Newcastle will need to be seeking alternative funding sources if this support program is to continue for the next school year.

V Kindergarten Orientation

Newcastle Elementary's Kindergarten Orientation is scheduled for next Monday, May 13 at 6:00 PM.

VI Open Discussion/Input

Meeting adjourned at:
