

SKYLINE HIGH SCHOOL
2020-2021 AP TESTING INFORMATION

1. To get ready for the 20-21 school year, each student wanting to take an AP exam is required to sign up here [for a College Board account](#).

All College Board programs are connected through one account, so if your student created one for the PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, they are all set. They will just need to have their username and password available. They will use this account to register for exams and access classroom resources. Please make sure that your account is up to date and the account is in your name and not a parent's name.

2. Join the class and register for the exam through their College Board account. To get join codes please contact Todd Caffey (caffeyt@issaquah.wednet.edu).
3. Be sure to list your school as Skyline High School and the CEEB code as 480501
4. Registering on College Board needs to take place by November 12th in order to avoid a \$40 late fee.
5. Register and pay for the exams on Total Registration starting January 4th- March 8th. Link will be sent out in January via E-News.
6. All exam(s) **will take place at Issaquah High School**.
7. The AP Exam schedule can be found here:

<https://apcentral.collegeboard.org/courses/exam-dates-and-fees>

Please note – if you are scheduled to take IB exam(s) at Skyline it may conflict with the AP schedule. Please do not schedule an AP exam when you are scheduled to take an IB exam. **The IB exam(s) cannot be moved.** For the IB Exam schedule go here:

8. Students must provide their own transportation to Issaquah High School. Parking is limited so please arrive early or by carpool.
9. Students should coordinate with their Skyline High School teacher to make-up missed assignments due to testing.
10. Here is the Issaquah High School website page with information on the upcoming AP exams.

PLEASE NOTE

- Taking an IB class IS NOT the same preparation for an AP test like an AP class is.
- Also, a student cannot use BOTH IB and AP exam scores to get college credit.
- All testing plans are subject to change due to COVID-19.
