

## Extra Curricular Theatre

### What is extracurricular theatre?

Besides Drama Club, Skyline's Theatre department puts on two plays and one musical during the school year! Ranging from dramatic Shakespearean work to contemporary comedies. Skyline's Theatre department utilizes the skills learned in Drama Club and expands upon them. Through the three shows, you can connect with people who have a passion of the arts, learn valuable skills, have fun, and make lots of friends!!

Besides auditioning and acting for shows, you can also participate on crew! This includes Hair and Make-up, Lighting, Sound, Ushers and Run crew. Taking on leadership roles can also be accomplished through the application to become a Stage Manager, Assistant Stage Manager and Apprentice Stage Manager. You could also become the "Head" of a designated crew!

### Current 2019-2020 season

Our Current 2019-2020 season has consisted of....

Fall show: The Laramie Project

Winter One Acts: All Out, The Lottery, Our Place

Spring musical: Beauty and the Beast

We are currently in the rehearsal period for our spring musical "Beauty and the Beast" which will be performed on May 6-8<sup>th</sup> at 7:00pm and a matinee performance on the 9<sup>th</sup> at 2:00pm and 7:00pm.

### Theatre Arts

Theatre Arts are yearlong classes available to take at Skyline and count as an art credit. Theatre Arts is available to be taken your freshman year and is an amazing starting off point to dive into theatrical history and the practice of it! In class you learn about Improv, directing, theatre history, costumes and much more!

### Star Camp

As an incoming freshman to Skyline, a great way to get to know everyone is through Star Camp. Led by upperclassmen with LOTS of theatre experience. Star Camp is a weeklong camp from August 10<sup>th</sup>-14<sup>th</sup> and the fee is 60\$. At the camp, incoming 9<sup>th</sup> graders will get to play theatre games, learn audition tips, learn about costume design, lighting and so much more! It's an amazing opportunity to be prepared for the upcoming year as well as form bonds with students currently in the Skyline Theatre program!

# Drama Club and Extra Curricular Theatre

## What we do at drama club:

Have fun! Play theatre games and broaden our theatre knowledge! Sell concessions at each of the productions. Aid in audition support and “how to” workshops. Branch into the International Thespian Troupe #5890. Branch into the Long Form Improvisational Troupe. Host and organize the end of the year Theatre Showcase and Banquet. And much, much more!

## Our History

The current Drama Club constitution and bylaws were originally drafted in 2014. We have grown from having around 15 members in good standing from that year to currently having 68 members in good standing. Our members range from the most participatory of students (those who are involved in every production) to those who support Skyline's productions by being dedicated and important members of the audience.

## Who? What? When? Where?

We have an amazing 2019-2020 drama club board consisting of.....

Vice President: Noah J

Secretary: Emma W

Treasurer: Katie S

Public Relations: Ines K

*“Theatre is something I had never expected to love as much as I do, but now that I know how amazing the whole process is and how much work goes into it, I could never picture myself doing anything else.” - Jessica Z, class of 2018*

---

*“Theatre is one of the only places where anyone of every skill level is accepted. Theatre is a place for misfits because you don’t have to be the best actor in the world to partake in something theatre related and you don’t have to know how to act to enjoy watching theatre.” - Blair I., class of 2016*

---

*“Not a single step was without purpose. Watching the final product backstage was so much different than being in the house because with every little action, you know the amount of work that went into every single part of it.” - Lina K, class of 2019*
